CARLTON Model CORINTHIAN

"THE ULTIMATE IN THREE-SPEED CYCLING"

A truly elegant bicycle for the adult cyclist who appreciates the feel of a professional bike but wants a simple, dependable machine. Handmade by the world's leading racing specialists of Reynolds 531 tubing and equipped with the best components for lightness and dependability, fitted with a Sturmy Archer 3-speed transmission, world renown for its dependability and ease of operation. If you enjoy a precision, responsive bicycle, but feel you don't really need or want ten speeds, this is for you.
