ST

SMART TRANSPORT

Burley's stepping it up with two new top-of-the-line trailers. The d'lite™ ST and Solo™ ST come with the Stroller Kit included! Now right out of the box — bike, stroll, and jog all in one. A complete family transport vehicle.

Also new to the ST trailers is the QTM — Quick Tow Mount — with integrated wheel guards that allow for a quick and effortless transition from bike to stroll. Available in two color choices: Sun/Denim or Red/Tan. Attention to detail has been spent on cover features and a better cover fit.

d'lite ST

Stroll | Bike | Ski | Jog

- Elastomer suspension to help minimize the bumps on the road
- Reclining seat – adjusts to a reclined position for comfort
- Enhanced seat and shoulder pads with integrated crotch strap pads are removable and washable
- 2-in-1 cover seam-sealed for ULTRA weather protection includes waterproof zippers
- Five-point seat harness system
- Double child trailer with bowed out side battens that add elbow room and provide side impact protection
- Sits a single child in center seat position
- High visibility with increased use of reflective material
- Larger sunshade offers more protection
- Lightweight aluminum frame provides complete internal roll cage

solo ST

CLASSIC BURLEYS...

Get some sun on your face, feel the breeze in your hair, feed the ducks, get out and let the grass tickle your toes. Burleys get families up and out, and give you the freedom to exercise, commute, and play outside with kids in style. Your child's Burley is their home away from home: It becomes a safe nook for them to explore and learn, with you leading the way…bike, jog, ski or stroll with your Burley; new adventures await around every corner.

D'LITE™

Stroll | Bike | Ski | Jog

▶

Your children will d'lite in the opportunity to hitch a ride in this comfy and spacious zone of their own. This Burley has bowed-out side battens to add elbow room. It also comes with suspension to make the ride even more comfortable. The d'lite features a rear pocket and a fast-action folding system so you can store your Burley quickly and easily. Inside, your kids will be comfy with the deluxe seat pad, padded shoulder harnesses, improved helmet pockets and improved reclining seat. Also included are wheel guards, tinted windows with UV protection, adjustable sun screen, and a 2-in-1™ all-weather cover with waterproof zippers for protection from the elements.

SOLO™

Stroll | Bike | Ski | Jog

▶

So–lite! A ride for one makes the Solo one of our lightest Burleys on the trails… elastomer suspension and a hammock-styled seat system provide a happy and easy ride. The Solo features a rear pocket and fast-action folding system so you can store your Burley Solo quickly and easily. Inside, your kids will be comfy with help from the deluxe seat pad, padded shoulder harness, improved helmet pocket and improved reclining seat. Also includes new wheel guards, tinted windows with UV protection, adjustable sun screen and 2-in-1™ all-weather cover with waterproof zippers for protection from the elements.

Storage Cover

Double up in the Encore,® which fits one or two children plus room in the rear for cargo. The padded seat is made of flow-thru mesh which keeps passengers cool and comfy; the two child pockets are divided to hold water bottles and the helmet pockets provide extra head room. Other features include new wheel guards, tinted windows with UV protection, adjustable sun screen, and 2-in-1™ zipdown cover with waterproof zippers.

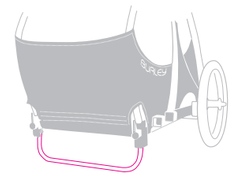

Shown with optional Stroller Kit

CRITTER COMPARTMENT

Designed to create cargo space and give animals their own area, or make a small compartment for small pets. Sturdy, durable, and washable.

KICKSTAND

Place the Kickstand on the ground to stabilize the transport for loading and unloading. Then swing it out of the way and off you go.

TAIL WAGON®

Stroll | Bike | Ski

The Tail Wagon® allows animal companions to stroll, ski, or bike with the family. Features include a tailgate which flips down to help pets get in and out. Heavy-duty mesh on four sides allows for maximum airflow and the suspended, rigid floor is removable for easy cleaning. Comes complete with a 2-in-1™ all-weather roll-down cover with waterproof zippers, cargo pockets to store treats and leashes, and a fast-action folding system with quick-release wheels to store your Burley Tail Wagon® quickly and easily.

Storage Cover

Buzz about town in this honey of a bee. There's a cargo net in the rear for storage and the interior pockets hold toys, games, and snacks. Includes helmet pocket, padded seat bottom, padded harness straps, clear window UV inhibitor, and non-zip 2-in-1™ cover.

NEW WE! SKI KIT COMPATIBLE

NOMAD

Bike | Ski

Roam the world with this trailer designed to easily get around with more than just the shirt on your back. Its light-weight, sturdy aluminum frame attaches quickly and easily to your bike. The two-wheel design keeps the trailer upright when off the bike, and its large carrying capacity with inside space divider allows you to easily transport camping gear or groceries to your destination. We! Ski™ Kit compatible for outdoor winter adventures.

NEW WE! SKI KIT COMPATIBLE

FLATBED™

Bike | Ski

Simple and strong, this flatbed trailer is a green way to go – no need to fill up the tank – just throw it in your flatbed and you are ready for the short or long haul. Comes with two sets of adjustable straps to secure your load.

NEW

HANDLE BAR CONSOLE

The perfect compartmentalized space to accommodate any walker or jogger. Includes space for water bottle or coffee, wallet, keys, two slots for both iPod & cell phone, pen, and a secret zipper holds a shopping bag – just in case you forgot to bring yours. Fits all double and all single Burleys.

Color: Black. Gray to show details only.

JOGGER KIT

The Jogger Kit converts a Burley to a jogger complete with hand brake. This kit makes it easy for families to keep fit on the run.

STROLLER KIT

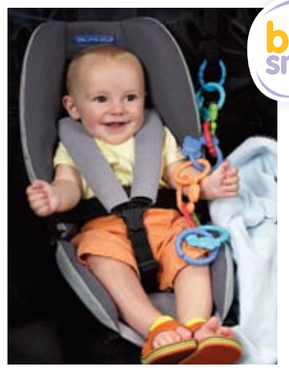

Bike to stroll…and stroll to bike with a simple flip of a wheel. Lock up your bike and stroll away without hassles … through town or around the market and back. It works so well you can even run with it.

WE! SKI™ KIT

Burley around all winter long with the We! Ski Kit! A quick conversion kit turns your Burley bicycle trailer into a ski trailer with an adult harness system to tow your warm bundles of joy around the ski trails. Cross country skiing, skate skiing, or snowshoeing adventures are a great way to spend a winter's day with the family…your kids will love being toured around in their own winter wonderland! Now compatible with Nomad and Flatbed.™

NEW

For strolling and jogging with your Burley
Recommended for ages 3-12 months

Machine washable

Thick side padding for comfort and support

Lumbar support pad for the infant's back

All materials are phthalate-free

Compatible with all 2009 Burley Child Trailers and most Burley models built after 2003

trailer compatibility

NEW

STANDARD FORGED HITCH

Made of forged aluminum, the new Standard Forged Hitch will fit both QR and nutted axle bikes. Included with all Burley trailers.

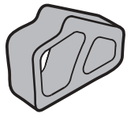

CLASSIC HITCH

Burley's patented pivoting hitch designed for easy attachment to most traditional bikes. Does not work with disc brake and full suspension. Does work with breezer-style dropouts.

TRAILER COVER

Keep your trailer nice and neat when not in use. Fits all Burley child and pet trailers.

SUSPENSION KIT

For lighter loads, the Soft Elastomer Suspension Set is available to exchange on 2008-2009 d'lite ST, Solo ST, d'lite, and Solo.

Soft Suspension works best for 9-18 kg
Standard Suspension works best for:
d'lite: 18-27 kg; Cub: 13.6 to 22.7kg

SAFETY FLAG

Comes standard on all trailers except the Flatbed. Extras available in 6 ft. lengths.

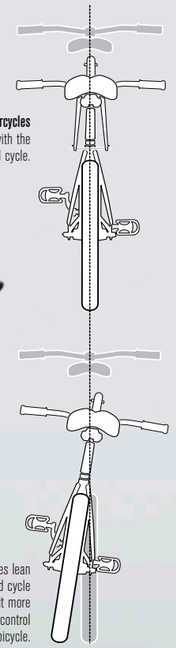

TRAILERCYCLES

Hands down the best trailercycle attachment system on the market. Both the Piccolo® and Kazoo offer superior handling, tracking and stability owing to Burley's patented attachment system which easily clamps into place on the Moose Rack. The Piccolo features a versatile 7-speed Shimano shifter, and the Kazoo is a single speed.

► = safety flag included

Burley Trailercycles stay in line with the lead cycle.

Other trailercycles lean away from the lead cycle making it more difficult to control the bicycle.

PICCOLO®

4130 Chromoly steel frame

7-speed Shimano tourney shifter

Twist shifter and front splash guard ►

KAZOO

High tensile steel frame

Single speed ►

Shared Features

Innovative Burley patented-hitch system with ball-bearing guided hitch pivots provide a shimmy-free performance

Double locking mechanism for extra security

Stable and snug in-line handling with over-axle pivot attachment

Burley Moose Rack included. Moose Rack serves as a great way to carry cargo; panniers can be used even with the trailercycle attached

Adjustable handlebar and seat post

20-inch wheel for smooth rolling

Recommended for children 4 to 10 years old, up to 85 lbs./38.5 kg., with a recommended 2-to-1 adult weight to child weight ratio

Compatible Accessories:

Moose Rack for additional bikes
