

LEAVE THE CAR AT HOME

The Travoy urban trailer helps you do more on your bike. Commute in style or run errands safely and securely. It sets up in minutes, attaches and detaches in seconds, and features a revolutionary design that converts to a rolling cart with a twist of the wrist.

Hitch makes for quick on-off convenience.

Travoy®
Basic Travoy includes:
Urban Trailer
Tote Bag (Holds folded Travoy and clips to trailer.)
2 Tie-down Straps
1 Hitch

The **Burley Travoy®**
Winner of the 2010
EUROBIKE Gold Award

Put together the perfect go-anywhere solution with our full selection of accessories and integrated bags designed especially for the Travoy.

Standard Hitch
Switch easily to a second bike.

Rack Mount
Enables the Travoy Hitch to mount on a rear rack, rather than the seat post.

Rain Fly Features a light tab and reflective trim for extra visibility.

Market Bags
Perfect for groceries and so much more.

Universal Bag Clips
With these clips you can set up your own bag to attach securely to the travoy.

Transit Bags Make commuting a breeze. **Shoulder Strap**, included with the upper Transit Bag, is compatible with all Travoy bags.

Dry Bag With a roll top and waterproof construction, this bag protects your gear with its 51 L capacity.

Duffel Bag Room for all your stuff in one full-length bag. Includes stow-away backpack straps, and has 65 L of internal volume.

Folded L x W x H (in/cm)	21x10x8 / 53x47x20

TEACH THE KIDS

By popular demand, we're reintroducing our trailercycles. They'll help your child learn to ride a bike, while still staying safely connected to you. Parents really like our patented hitch system that provides a solid, safe ride. We've designed them both with a lower stand-over height to better fit smaller riders. They will now transport easier with the removable towbar.

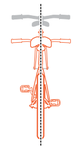

Towbar removes for compact storage and transport.

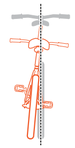

Piccolo®
7-speed

Patented Burley Hitch

Burley Trailercycles stay in line with the lead cycle.

Other trailercycles lean away from the lead cycle making it more difficult to control the bicycle.

Tailwind™ Rack
A heavy-duty rear rack made for towing Burley trailercycles. Also functions as a touring-quality cargo rack.

Kazoo™
1-speed

MOVE IT

Flatbed™
Use the Flatbed to haul just about anything. Its adjustable straps ensure everything you carry will be safe and secure.

Nomad™
Let the Nomad handle your cargo while you tour, going where your nomadic spirit leads you. Its 100 pound capability will accommodate a lot of gear, and everything will stay dry with the weatherproof cover.

Tail Wagon®
The Tail Wagon is designed to comfortably carry your most loyal companion. Features include a flip-down tailgate for quick loading and a suspended, removable floor for easy cleaning of mud and paw prints.

BURLEY®

♻ Printed on post consumer recycled paper.

BURLEY®

TAKE THE KIDS

Whether navigating city streets or cruising through the countryside, you'll enjoy design features like our enclosed cargo compartments, lightweight aluminum frames and 600D all-weather fabric covers and seats on all our child trailers.

BUILT TO LAST

You want to keep your children safe. So do we. An exclusive, adjustable handlebar doubles as a roll bar, and every Burley child trailer has a 5-point harness. All our child trailers exceed ASTM safety standards. Our in-house testing protocols are the toughest out there. We know it's worth it.

FEATURE HIGHLIGHTS

From the hitch to the rear cargo space, our child trailers are loaded with quality features refined for over 30 years. Our patented hitch offers a quick connection, and elastomer suspension system delivers a soft ride. Inside there are padded seats and belts. The adjustable sun shade and tinted windows keeps kids out of the sun. The fully adjustable handlebar doubles as a roll bar, and the rear cargo space is perfect for carrying the groceries home.

ACCESSORIZE

Our child trailers come ready to tow, but you may want to customize your trailer to fit your lifestyle. Adventure awaits. Pick the accessories that are best for your family or set up additional bikes to use with your trailer.

Accessories

Trailer Light Kit

Front white light with rear red light increases visibility and safety. Runs on 4 AA batteries, which are included. Compatible with all 2010 and newer trailers with handle bar.

Handlebar Console

Use in jogger or stroller mode to store water bottles, snacks, keys and more.

Baby Snuggler

Keep your littlest traveler secure, whether you are jogging strolling or towing behind your bike. Designed for ages 6 months and older, children must be able to sit with support and wear a helmet in the Snuggler, which is machine-washable and features a lumbar support.

Storage Cover

Fits all Burley child and pet trailers.

Conversion Kits

Stroller Kit

Go from biking to strolling with the flip of a wheel.

2-Wheel Stroller Kit

Turn your trailer into a stroller that can navigate the tightest of turns. Especially nice in grocery aisles.

Jogger Kit

A quick conversion from bike trailer to jogger and you and your kids are ready for miles and miles of fun runs and fitness workouts. Hand brake makes stopping easy.

We! Ski Kit

Perfect for cross country skiing, skate skiing or snow shoeing, the We! Ski Kit attaches to the wheel axle with a push button system. The adjustable, lightweight tow bars connect to the trailer side mounts and lead to a padded hip harness.

Hitches

Standard Hitch

Included with all Burley trailers, the Standard Hitch is made of forged aluminum and fits both QR and nutted axle bikes. Extra hitches make using your Burley with multiple bikes a snap.

Classic Hitch

Burley's patented pivoting hitch is designed for easy attachment to most traditional bikes. Works with breezer-style dropouts but not with disc brakes or full suspension.

Hitch Alt Adapter

This adapter spaces out the standard hitch allowing bike frames with tight rear dropouts to have hitch clearance. Available for various internal gear hubs and nutted axles.

GET YEARS OF USE FROM A BURLEY TRAILER THAT FITS YOUR NEEDS
