CLOUD NINE Shock Upgrade Program

Upgrade Program *(Details)*:

Consumer can send in rear shock (any manufacturer) through an authorized Cane Creek dealer and in return purchase a Cloud Nine for specially discounted upgrade price.

Cloud Nine upgrade: Consumer = $225 ($325 MSRP)

If a dealer transaction is not possible, Cane Creek has the right to handle the consumer transaction directly in order to protect the sale.

A Return Authorization Number (RA#) must be obtained when upgrade shock order is placed (800.234.2725).

Conditions of the Upgrade Promotion:
• Cane Creek must receive the old shock before shipping the Upgrade Cloud Nine.

• Cloud Nine must be available for the customer's bike *(frame compatibility chart: www.canecreek.com).*

• If a Cloud Nine is not available for the customer's bike, but an AD-12 is, an AD-12 upgrade can be sold:

AD-12 upgrade: Consumer = $175 ($275 MSRP)

Customer pays shipping cost:
UPS Ground = $5.00
UPS 2nd Day Air = $15.00
UPS Next Day Air = $30.00
