PASHLEY

A World of Difference....

PANTHER

The Pashley Panther is an entirely new touring trike beautifully styled with open frame for easy mounting. Light, fast, strong, fully equipped to the following high specification:-

Wheels: 27 x 1¼" alloy wheels with gumwall touring tyres and stainless steel spokes. **Gears:** 10-speed derailleur with 48/36T cotterless chainset. Stem controlled Suntour ARX front and rear derailleurs. 14/28 rear sprocket. **Brakes:** Fitted with Dia Compe mountain brake levers operating single front and double rear side pull Dia Compe calliper brakes. **Handlebars:** Light alloy all-rounder with GB alloy stem. **Guards:** Chromoplastic. **Saddle:** Padded race type. **Carrier:** Large rear integral carrier measuring 17" x 12" x 6" deep with double reflectors. **Pedals:** Alloy rat trap.

PICADOR

The beautifully made Picador range of adult tricycles built to Pashley's traditional standard of quality. So easy and safe to ride, with a choice of gears. Parking is so simple. There is a large lockable basket or boot for all your shopping and tricycling gives you that extra bit of exercise that is so beneficial. Can be converted into either the Picabac or the Pastoral models. Single or three speed model as illustrated in main picture. Five speed model as illustrated in inset.

PICABAC

The ideal way to carry the kids with you. Anywhere. The Picabac built to the same specification as the Picador is supplied with a flat rear luggage carrier to which one or two childs' seats can be attached. The seats, supplied as optional extras, are fitted with safety harnesses to hold your children safely in place. Our recommended loading with a twelve stone rider is one child of 3 stone or two children of 2 stone each. Front detachable basket and rear children's foot rest are supplied as standard.

PASTORAL

The full elegance of tricycle riding is provided by the uniquely equipped Pastoral. Available only in a coffee brown finish with complementary front and rear wicker baskets. The large capacity rear basket can be easily lifted from its frame and used for shopping. All other specifications as per Picador.

'D' TYPE

The NEW Pashley 'D' type tandem has an entirely lug built frame, with gents front and ladies rear. The frame measures 23½" at the front and 22" rear. Horizontal measurements are 22½" front and 23½" rear, providing ample space for riders of all sizes. Fine chain adjustment is provided by the forward bottom bracket axle mounted in an adjustable alloy eccentric.
Full specification as follows:-

Wheels: 26 x 1⅜" with 13g front spokes, 12g rear spokes and gumwall touring tyres. **Gears:** Three-speed Sturmey Archer hub gear, with handlebar mounted trigger control, five-speed derailleurs with 46T chainwheel or ten-speed derailleur 52/38T chainwheel to 14/28 rear sprocket and stem fitting control. **Brakes:** Centrepull front and rear calliper plus alloy internal expanding hub brake at rear (steel on 3 speed). **Handlebars:** Steel allrounder front, raised pattern rear. **Guards:** Chromoplastic with rear reflector. **Saddles:** Padded race type. **Pump:** Alloy 15". **Rear carrier:** Pletscher UL, alloy with rubber straps and reflector. **Pedals:** Steel rat trap with reflector.

'E' TYPE

The new Pashley 'E' type tandem is based on the same frame as the 'D' type but equipped to a very high specification making it into the finest sporting production tandem available. A shortened wheelbase gives extra responsive handling. High line specification as follows:-

Wheels: 26 x 1⅜" with 13g front spokes, 12g rear spokes and gumwall touring tyres. **Gears:** High specification alloy crossover cotterless chainsets driving to 52/38T alloy chainrings. Stem controlled Suntour ARX front and rear derailleurs. 14/28T rear sprocket. **Brakes:** Centrepull front and rear calliper plus Atom internal expanding alloy brake hub at rear. **Handlebars:** Alloy drop bar front and alloy allrounder rear with alloy stems and cushion grip. **Guards:** Chromoplastic with rear reflector. **Saddles:** Anatomically designed touring saddle. **Pump:** Alloy 15". **Carriers:** Alloy lightweight front and rear. **Pedals:** Alloy rat trap.

PATRIOT 24

The Patriot 24 combines the advantages of both small and large wheel bicycles:- the easy step over unisex frame and adaptability of the small wheeler but equipped with 24" wheel, it has the superior handling and roll-ability of the larger bicycle. Equipped with front and rear carriers as standard the Patriot 24 is a very attractive city bike built to high standards of quality and durability. Other features include Sturmey Archer three-speed gears, rear wheel lock, alloy mud-guards and propstand.

PRINCESS

Traditionally styled, the Princess reflects the relaxed elegance and reliability of days gone by, but is built to exacting modern standards for the lady of today. Available with 26" or 28" wheels and in a variety of frame sizes. The attractive loop frame gives a comfortable upright riding position. Equipment includes fully enclosed chaincase, front wicker basket, Sturmey Archer 3-speed hub, large bell, roller lever brakes, toolbag, tools and pump. Optional extras: dynohub lighting and colour finish.

ROADSTER

The classic British bicycle. Traditional elegant styling. Sturdy, hard wearing construction. Available with 22" or 24" frame, 26" or 28" wheels. Roller lever brakes and fully enclosed chainguard as standard equipment. Optional extras include three-speed gears, dynohub lighting set, large rear carrier bag, spring clip carrier, large challis bell, hockeystick chainguard and colour finish. Ladies model also available.

UMX

Bored with BMX? Looking for a real challenge? Leave the ordinary BMX rider behind Get unicycle yomping with the all new UMX. The tough new Pashley UMX range packs in all these exciting features:- hand brazed fork and stem, 20" wheel with 20 x 2 x 2.125 MX tyres, colour co-ordination in red, blue or yellow, specially designed banana saddle with adjustable height and rat trap pedals.

UNICYCLE

Unicycle
Also available as standard Unicycle with 20 x $1\frac{3}{8}$ or 24 x $1\frac{3}{8}$ wheels, fitted with same style banana saddle and rubber pedals. All unicycles are individually packed in strong cardboard cartons and supplied complete with comprehensive riding instructions.

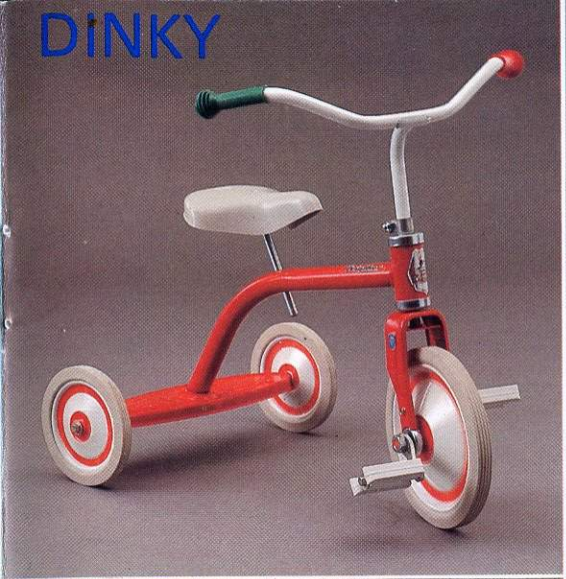

PICKLE

The Pickle is the traditional children's tricycle, built to British design and strength for children from four years upwards (minimum inside leg measurement 17"). The Pickle is safe, easy to ride and far more robust than a toy bicycle with stabilizers. Standard features include sturdy frame tubing with collision-proof strengthening at the head, ball bearings throughout, 16 x $1\frac{3}{8}$" pneumatic tyres, front wheel calliper brake, steel mudguards, adjustable handlebars and saddle, full chainguard and bell. Available in silver, yellow or blue all with contrasting red trim. Rear basket supplied as optional extra.

DiNKY

TIPPER

GO-KART

TOYS

The Pashley trio of budget price, strongly built, carton packed toy cycles comprises THE DINKY TRIKE in bright red with front wheel drive and adjustable saddle for 2-3 year olds. THE TIPPER TRIKE in bright red with adjustable saddle and rear tipping platform for 3-5 year olds. GO-KART in yellow and black with 21 cm wheels, rear chain drive, steering wheel and rear wheel brake for 4-8 year olds.
