the Pashley — Terry's

CT20 ICE CREAM TRICYCLE

With the old style 'stop me and buy one' trike, you can now take ice cream direct to the mass public. Ideal for shopping centres, shows and parks, the trike is a very attractive, clean easy to ride machine. Loved by kids and parents, a convenient way of buying ice cream giving a personal friendly service.

- The insulated container with four eutectic inserts gives approx. eight hours selling.
- Two serving hatches give easy access to stock without great loss of temperature.
- The tricycle is approved by councils for wrapped ice cream. This also gives you full stock control when employing staff.
- Various colours, Walls' Lyons maid or to your own specification.
- The CT20 price gives you the chassis as well as the insulated container.
- The insulated container can be taken off the chassis and one of our other boxes can be put on. For example, hot drinks, sandwich / hot drinks, hot dogs and hot chestnuts boxes are available.

TECHNICAL DATA

Insulated Container

Inner container: measuring 21¾″ × 17½″ × 18″ deep
Serving hatches: measuring 7½″ × 6½″ apertures, 3″ insulated lids
Insulation: 3″ (76mm) thickness expanded polystyrene
Plates: four stainless steel flat eutectic inserts each measuring 15″ × 9″ × 1¼″: held in by straps held in vertical position
Covering: stove enamelled mild steel panels on hardwood frame with hinged main lid

Specification Chassis

Mounting: four rubber mounted bolts hold insulated container in place. These bolts fit into the three other boxes giving you an interchangable facility.
Braking: rim and hub-brakes, latter with parking lock.
Carrier: a welded carrier is now a permanent fixture, ideal for strapping a bin to, holding Cokes etc.

"The CT20 Ice Cream Trike - a simple, efficient way to cater for a lot of hot people. Anytime! Any place!"

the Maxpax – Terry's
MT-100 HOT DRINKS TRICYCLE

This is a new concept after the success of the ice cream trike, we have built a container which gives you all round selling by making a container with a capacity for sandwiches and snack lines at the front while giving you a full hot drinks service, using a cup dispenser and a rechargable tank.

- Sandwiches and snack lines can be carried on three shelves, which have easy access from all sides and a lid.
- Serving drinks is easy. Simply select your Maxpax drink from the dispenser and add hot water. No mess. No stirring. A perfect drink every time.
- Choose from coffee, tea, chocolate and soups.
- Fitted with two stainless steel basins for hands.
- Interchange tanks for extended selling life.

TECHNICAL DATA

Cup Capacity: Seven selection – 7 × 35 cups. TOTAL 245.
Water: Interchangable tanks. 100+ cup capacity each tank.
Temperature: Thermostatically controlled, min. 4hrs hot water for serving. Each tank fitted with 2.5kW heater. Heating up time for each tank from cold is 40 minutes maximum.
Water Supply: Manual fill.

Treat

JD/SJT

Dear Sir/Madam,

Thank you for your recent enquiry regarding information, and the cost of, our new range in Catering tricycle.

I apologise for any delay that has taken place since your enquiry, and I have enclosed information regarding our highly successful Pashley Ice-cream tricycles, as well as our new Exciting Maxpax hot drinks unit.Both these units can also come in a trolly version.

When our other units are finished, I will also send information on them. They include a hot chestnut unit as well as a hot dog/burger unit.

The 1986 prices of our tricycles and trolleys are listed below;-

Ice cream tricycles c/w front bumper, front mudguards, rear carrier, large leather saddle, umbrella bracket.	£905. 00
1 set of eutetic inserts.	£105. 00
Ice cream trolly	£589. 00
Chassis only	£470. 00
Maxpax tricycle	£764. 00
Maxpax unit on its' own	£424. 00
Maxpax trolly.	£550. 00
Water unit.	£325. 00

All prices are excluding V.A.T..

Any orders received before 31st December 1985 for delivery before 28th February 1986, will be subject to 1985 prices.

Thank you again for your enquiry and please do not hesitate to contact me if you require any further assistance.

Yours faithfully,

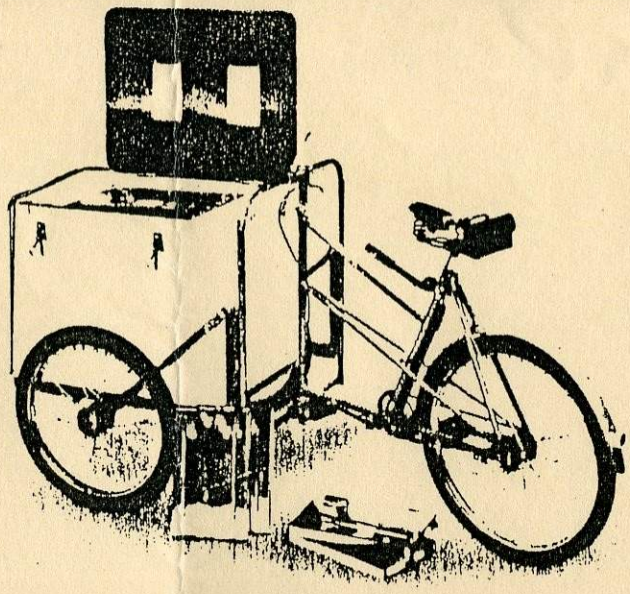

J. Dykes

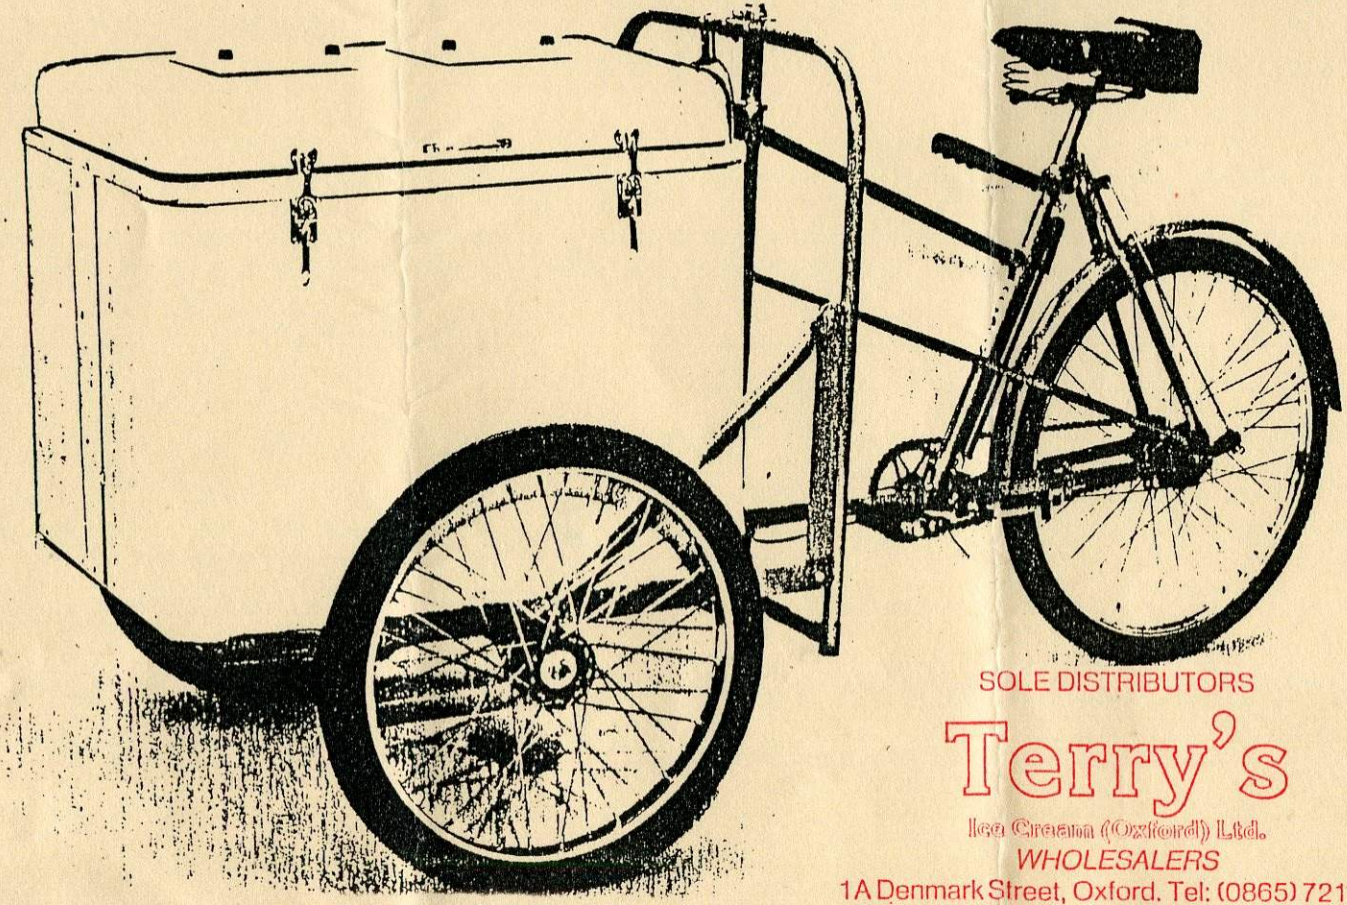

J.Dykes,
Managing Director.
