RODRIGUEZ FRAMES

Rodriguez Custom Frames We build a small quantity of custom frames in our shop each year. The design, lugs, drop outs, finishing, etc. are your choice. We use Reynolds double butted tubing throughout-(Columbus tubing approximately $40.00 extra).

Price: $225.00
With complete bike: $200.00

Rodriguez Road Frames These frames are designed by us and built in England. We do all finishing work. They are constructed from Reynolds double butted tubing. Prugnat lugs, and Campy drop outs. There is a minimum clearance for clinchers and fenders. Angles are 73/73, wheel base 40", fork angle 1 5/8", sizes 21" through 25" (½" sizes) any color, includes Stronglight P3 headset.

Price: $180.00
With complete bike: $160.00

Rodriguez Criterium Same as the road frame, except angles are 74/74, wheel base 39", fork rake 1 ½" , fast back seat stay cluster.

Price: $180.00
With Complete bike: $160.00

Rodriguez Track Frames Same as Road Frame, except angles are 74/74, wheel base 38", fork rake 7/8", semi-sloping round fork crown.

Price: $180.00
With complete bike: 170.00

Alex Singer Touring Frames One of the finest frames built anywhere. Only a few in stock, others ordered,(4-6 months)

Price: $435.00
With Complete Bike: $385.00

Bill Davidson Road Frame A fine locally produced road frame 73° parallel, 39 inch wheel base, 1 9/16 fork rake. Built with 531 tubing. prugnat lugs, and campy drop outs with Dura Ace headset

Price; $229.50

Bill Davidson Track Frame 74° parallel tight clearances with Dura Ace Headset.

Price: $229.50

Southern Cross Road and Touring Built by Stanley Lang of England with Reynolds 531, Campy drop outs and Prugnat lugs. A very good value.

Carabella Track (complete bike)$225.00

Gitane Track (Complete Bike $130.00

When buying a frame, Campagnolo Road Ensembles are available for $340.00* the complete bike costing $600.00 -650.00

*Suggested retail $435.00

Other frames in stock..Bottecchia, Bob Jackson, Sovereign, Gitane, Ron Kitching, Strawberry.

Others can be ordered.

WE HAVE A LARGE SELECTION OF MISCELLANEOUS PARTS IN STOCK...OTHER PARTS ARE AVAILABLE ON ORDER.

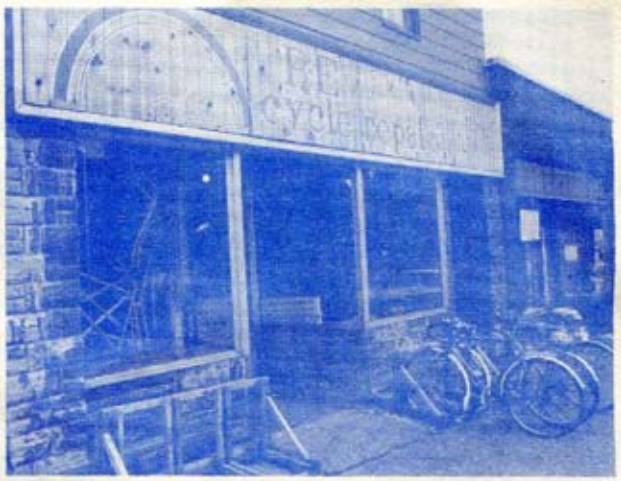

•Do•It•Yourself Bike Repair!

Have you ever wanted to do your own repair work, but you just didn't have the tools or space? Do you think labor prices are too high? Have you ever wanted to work on your bike just for the experience?...Well, NOW YOU CAN!

R&E Cycles has a new kind of shop! Two complete work positions with all of the best tools available to work on any kind of bicycle. A shop equipped with good work stands, special wrenches and tools of every kind, and the spare parts for any job; from ball bearings to new frames. We have complete diagrams and books available for your use, and friendly advice whenever we are not too busy doing our own work or talking with customers. Reasonable rates too.

Our hours are from 9 to 6, so come by and see us!
