Sizes are 19", 21", 23" or 25" frames—Model CR

STATEMENT OF LIMITED WARRANTY

1. Warranty: Concord frames are warranted to be free from defects in material and workmanship under normal use and service for the life of the bicycle. Concord will repair or replace the frame without charge within one year of original purchase. After one year, labor charges are not covered and Concord's liability shall be limited solely to the cost of the frame. All other costs shall be those of the purchaser. This warranty is not transferable and is extended only to the original owner of each Concord bicycle.

2. Defective Parts: All other parts are warranted for one year from the date of purchase. During the warranty period, all parts found to be defective in workmanship or material will be repaired or replaced by Concord without charge, excluding the cost of labor.

3. Warranty Exclusions: This warranty does not apply to normal wear and maintenance items (such as tires, brake shoes, lubricants, cables, adjustments), or to Concord bicycles which have been:

A. Involved in an accident or subjected to misuse or neglect.
B. Repaired with parts other than Concord parts or parts approved by Concord.
C. Repaired by other than an authorized Concord Dealer.
D. Used for leasing, renting or any other commercial service.
E. Bicycles used in racing, motocross, stunt riding, ramp-jumping, or any similar activity, nor is it intended to be used with motors or any power driven apparatus.

4. How to Claim Warranty: All claims under this Concord Warranty must be made through an authorized Concord dealer within the warranty period described above. To obtain warranty service, the owner must return the defective bicycle to an authorized Concord Dealer with proof of date of purchase and original ownership (needed to qualify for warranty). Concord shall not be responsible for any transportation costs. The warranty provided herein is in lieu of all other express warranties. Any implied warranties, including any implied warranties of merchantability or fitness for a particular purpose, are limited in duration for the period of one year from the date of purchase for frames and to one year from date of purchase for all other parts covered by this warranty. All other obligations or liabilities, including liability for consequential damages on the part of the manufacturer, and the dealer, are hereby excluded.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of implied or consequential damages. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
