Team Saracen '99

Limited Edition Range

Special Value Bikes with Integrity and Attitude

D-Tox LE

The D-Tox fills a price gap in the main Saracen range. Its chromoly mainframe and bright yellow fork and swingarm strike a pose in a price category dominated by fairly ordinary hardtails. A unified rear triangle frame, for instant drive power, is flattered by big treads, braced alloy riser bar and a plush ride that stresses luxus playtime rather than race breeding.

"Attention to detail is perhaps what seperates Saracens from many MTB's on the market"

What Mountain Bike?

SPECIFICATION

Frame: CR-MO cross country full suspension, custom clearance chainstays for rigid, lightweight performance with Shock Works rear suspension shock (80mm). Finished in Silver/Yellow epoxy polyester powder coat and lacquered for durability.

Suspension Fork: SR DC7500 (50mm) for a plush ride and directional control.

DriveTrain: Shimano CT92 crankset and Saracen flat alloy pedals with Shimano 7 speed cassette for smooth power delivery.

Gear System: Alivio front & rear with Shimano EZ fire shifters for positive shifting.

Brake System: Alloy Saracen satin 'V' brakes with Shimano 'V' levers for efficient stopping power.

Wheel Pack: Alloy 36 hole 'Extreme' high wall rims with black 14G spokes on Shimano Parallax hubs, QR front & rear finished off with Ritchey Alfa/Omega bite tyres for off-road traction.

Bar System: Saracen alloy braced bars teamed with a Saracen alloy control stem, Saracen grips and a Tioga satin Aheadset for positive steering.

Sizes: 17, 19, 21"

£399.99 *rrp*

N-Zyme LE

24 SPEED

Classy 7005 alu framed bikes with suspension forks are a rare breed at this price. The N-Zyme achieves the improbable, combining classy looks and SR fork technology with the functional excellence of Shimano drive train components, EZ fire shifters, braced alloy riser bar, 'V' brakes and surprisingly good wheels with Ritchey treads. Bag one while stocks last.

"Saracen's bikes crop up time and time again when the 'good value for money' question rears its head"

Mountain Biking UK Buyers Guide

£299.99 *rrp*

Tufftrax Pro LE

One of Saracen's long serving classics, the Tufftrax, goes from strength to strength. The 'Pro' limited edition version adds a Rock Shox Jett fork to the smooth lines of the fillet joined alu frame, then finishes off the package with a Shimano LX based drivetrain mix, a braced alloy riser bar and a wheelset topped off with Tioga Edge treads.

"The Tufftrax, with new-for-1999 nine speed drive train is more than a workhorse and is eminently upgradeable"

Mountain Bikie Rider

SPECIFICATION

WARRANTY

Saracen Cycles has an excellent non-return record due to 100% of all our components being assembled in our workshops prior to delivery to the retailer. This permits us to offer the following comprehensive warranty:

Saracen Cycles Ltd warrants the replacement of original components of Saracen Bikes due to defects in material and/or workmanship according to the following conditions and limitations: Steel frames and forks are warranted for a period of 5 years. Aluminium frames and Full Suspension frames are warranted for a period of 2 years. Suspension forks and Rear Suspension units are warranted for a period of 1 year. The original components, other than the frame and forks, are warranted for a period of 1 year (labour and transportation charges are not included). The warranty is limited to the original retail purchaser only and proof of purchase is required to validate this warranty.

The warranty does not cover damage or failure due to abuse, neglect, accident, improper re-assembly, lack of maintenance, commercial hiring, normal wear and tear or installation of parts or accessories not originally intended for or incompatible with the bicycle as sold, racing, stunt riding, free-styling or similar activities or training for such activities.

Saracen Cycles Ltd shall not be responsible for accidental or consequential damage or loss. The user assumes the risk for any and all personal injury or damage of the bicycle, or other losses if Saracen bicycles are used at any time in any competitive event (including bicycle racing, dirt biking, freestyling or similar activities or training for such activities).

All claims must be made through an authorised dealer.

Saracen Cycles' policy is one of continuous improvement; therefore specification may be changed, without prior notice.

Mountain bikes, although tough, are not indestructible. Excessively rough use may result in damage to your machine or you - take care and always use an approved helmet. Optimum riding performance depends on having your bike serviced regularly at your Saracen dealer.
