SARACEN 2006 range

At Saracen our continuing drive and passion for all things in the biking world means we are sure to be at the cutting edge of new developments.

Pioneering new ideas and concepts and delivering great value and high performance from our whole product range.

New for 2006 we include the brand new Pylon, for sub-urban street and city riding, and we've also added a super high performance ACCM carbon fibre frame to our top mountain bike and road bike ranges.

Development on the rest of the range continues apace, again with the focus on performance, comfort and usability and there is now something in the Saracen Range for everyone; whether racing, leisure, fitness, transport or freedom.

bicycle warranty

Saracen Bikes Ltd warrants the replacement of original components of Saracen Bikes due to defects in material and/or workmanship according to the following conditions and limitations: Steel frames and forks are warranted for a period of 5 years. Aluminium frames and Full Suspension frames are warranted for a period of 2 years. Suspension forks and rear suspension units are warranted for a period of 1 year. The original components, other than the frame and forks, are warranted for a period of 1 year (labour and transportation charges are not included).

The warranty does not cover damage or failure due to abuse, neglect, accident, improper re-assembly, lack of maintenance, commercial hiring, normal wear and tear or installation of parts or accessories not originally intended for or incompatible with the bicycle as sold; racing, stunt riding, free-styling or similar activities or training for such activities.

Saracen Bikes Ltd shall not be responsible for accidental or consequential damage or loss. The user assumes the risk for any and all personal injury or damage of the bicycle, or other losses if Saracen bicycles are used at any time in any competitive event (including bicycle racing, dirt biking, freestyling or similar activities or training for such activities).

Saracen Bikes' policy is one of continuous improvement; therefore specification may be changed, without prior notice.

Mountain bikes, although tough, are not indestructible. Excessively rough use may result in damage to your machine or you - take care and always use an approved helmet. Optimum riding performance depends upon having your bike serviced regularly at your Saracen dealer.

All other products supplied by Saracen Bikes Ltd and not covered by the above are warranted for a period of 1 year from date of purchase against faulty manufacture.

This warranty is limited to the original retail purchaser only and proof of purchase is required to validate this warranty.

All claims must be made through an authorised dealer.
