Nothing but a Hound Dawg...

John Tomac
NORBA National Downhill Champion,
Grundig World Cup Champion,
UCI World Champion.

could put John Tomac on top of the world.

Whenever John Tomac lines up for a race, he has good reason to bring his Dawgs with him. His Hound Dawg tires, that is. `Cause these unbeatable Dawgs took him all the way to the top of the Grundig World Cup and the UCI World Championships, and got him to the bottom in time to be crowned NORBA National Downhill Champ.

Tioga Hound Dawgs' specially designed tread pattern gives Johnny the kind of world-beating traction he demands, as well as precision control for the fast downhill cornering he's most famous for. And rolling resistance? Just about as low as you can go. With Polyrubber 3404 for longer tire life, and light, strong Tektite casing. Available with blackwalls or skinwalls, Hound Dawgs come with the option of non-stretch Kevlar beads for reduced weight or Kevlar belting for greater resistance to punctures. Check out your nearest Tioga dealer and discover why world champion John Tomac uses nothing but a Hound Dawg!
