Tommaso™

The Italian bicycling legend reigns supreme with Tommaso®, a premier hand made Italian frameset. Tommaso® framesets are particularly designed for the most demanding competitors as well as avid sport cyclists. Exclusively competing on Tommaso® bicycles for both road and track during the 1987 and 1988 seasons is the Celestial Seasonings Women's Team, captained by World Champion Rebecca Twigg; a testimonial to the quality and performance of the Tommaso® line. Tommaso® features a proven racing geometry, allowing optimum handling efficiency for our Columbus steel or heat treated aircraft aluminum frames. We guarantee the precision and performance of every Tommaso® with our systematic TSDI FRAME PREP™ process. An omnipotent challenger in the world of cycling, all Tommaso® bicycles are equipped with the finest Italian componentry including Campagnolo groups, Cinelli, Ambrosio, Regina, Selle San Marco and TSDI™ handbuilt wheels. Our TSDI FRAME PAINT™ process is undisputably the industries finest, creating a fabulous spectrum of dynamic DuPont Imron® phase paints for any calibre of cyclist. Relish the sense of adventure captured only on a Tommaso® - live the legend.
