2008 Trek Lifestyle Bikes

Urban 3

Fun, all-purpose bikes tuned to your city pace, your downtown commutes and your campus quests.

Fitness 11

Road bike speed and upright comfort combine for aggressive fitness rides or long commutes.

Hybrid 21

Versatile and stylish, with lightweight and durable frames, multiple gears, and a suspension fork to smooth out your ride on city streets, bike paths or rail-trails.

Lime® 31

This fun, easy three-speed bike shifts automatically, so all you have to do is enjoy the ride - in to town or around the block.

Navigator 41

Get comfortable on short rides or all-day outings. Smooth-rolling tires for stability and control, and suspension in the fork, saddle and seatpost for a luxurious feel.

Pure 49

Run errands or explore the neighborhood on a convenient ride that lets you set both feet on the ground without leaving the saddle.

Cruiser / Tandem 59

Laid-back bikes that are fun to ride and easy to maintain, whether you're taking them to the beach or the local coffeehouse.

Kids 77

Give them a great first set of wheels for rides to school or the park, with our Dialed technology that grows with their itch to ride.

Trailers/Joggers 95

A safe and versatile way to get the whole family rolling through the neighborhood or outside on a sunny afternoon adventure.

Urban

Fun, all-purpose bikes tuned to your city pace, your downtown commutes and your campus quads. Built with lightweight and responsive Alpha Aluminum frames and all-weather hardware. Now take to the streets.

Lime®

Lime is for everyone. Even people who don't ride bikes. It's a fun, easy three-speed bike that shifts automatically, so all you have to do is enjoy the ride - into town or around the block. Accessorize it for extra style and keep the fun rolling on puncture resistant tires.

Just Get On And Go

Lime® has a rear 3-speed internal gear hub that shifts automatically to match your speed. A generator for the automatic shifting is powered by the front wheel and tucks nicely under the bike, so no batteries are ever needed.

coasting SHIMANO

Accessorize

Add some extra style to Lime with a basket, bell or bottle cage in coordinating Peelz colors. Keep track of your ride with a computer plus get all-weather practicality with cool chrome fenders.

Kids

Give them a great first set of wheels for rides to school or the park. Lightweight, professionally assembled and built to withstand the toughest kid on the block.

Kids Grow Quickly And So Should Their Bikes

Trek Kids bikes are built on the premise that kids don't have to outgrow everything. We call it Dialed Fit Specific Design™ — components that adjust to fit growth spurts — you dial in the perfect fit no matter their leaps or bounds. Not only will our bikes grow with your kids for years, but each is designed to control, steer, brake, and stop. Best of all, Trek Kids bikes are built to last through many summers of playdate commutes, friendly neighborhood competitions, and laps around the park.

Adjustable Handlebars
Handlebars move forward and back.

Adjustable Saddles
Seats move up or down.

Adjustable Pedals
Kid-sized pedals with two-position adjustable crank.

Trek Limited Lifetime Warranty

Trek Bicycle Corporation provides each original retail purchaser of the bicycle a lifetime warranty against defects in materials and workmanship in the bicycle frame and rigid fork when purchased from an authorized Trek dealer. Trek Bicycle Corporation likewise warrants all original parts on the bicycle, excluding suspension forks and rear shock absorbers, for a period of one year from the date of purchase. Suspension forks and rear shock absorbers shall be covered by the stated warranty of their original manufacturers. Paint and decals are warranted for one year. This warranty is expressly limited to the repair or replacement of a defective frame, fork, or defective part and is the sole remedy of the warranty. This warranty applies only to the original owner and is not transferable. Claims under this warranty must be made through an authorized Trek dealer. Proof of purchase is required. A warranty registration card must be completed and received by the Trek Bicycle Corporation before a warranty claim may be processed. This warranty covers bicycles and components outside the United States only if purchased through an authorized international Trek distributor or Trek dealer within the country of purchase. The warranty does not cover normal wear and tear, improper assembly or follow-up maintenance, installation of parts or accessories not originally intended or compatible with the bicycle as sold, damage or failure due to accident, misuse or neglect, or modification of the frame, fork or components.

Trek Bicycle Corporation shall not be responsible for incidental or consequential damages. Some states do not allow the exclusion of incidental or consequential damages, so the above exclusion may not apply to you. This warranty gives the consumer specific legal rights, and those rights may vary from place to place. This warranty does not affect the statutory rights of the consumer.

All photos, illustrations, colors, weights, and specifications contained in this catalog are based on the latest production information at the time of publication. Trek reserves the right to make changes at any time, without notice, in colors, materials, equipment, specifications and models. Any variations in colors shown may be due to the reproductive variations of the printing process. Photos may include non-U.S. equipment. Some models may be shown with optional equipment. Off road bike weights based on medium or 18 inch frame size. Road bike weights based on 56cm frame size.

All Trek bikes are sold exclusively through our network of Authorized Dealers who we entrust with professional assembly and service of your bicycle. Trek extends a Lifetime Warranty on every frame

WE PRINT OUR CATALOGS ON ONLY FOREST STEWARDSHIP COUNCIL (FSC) CERTIFIED PAPER

FSC certification ensures that the paper in our catalogs contains fiber from well-managed and responsibly harvested forests. The goal is to shift the market to eliminate habitat destruction, water pollution, and displacement of indigenous peoples. This catalog meets FSC's strict environmental standards.

To a cafe, the market or pull your kids to school. Most things you do are within two miles of home. Go by bike.
