

BOTTLE CAGE

A water bottle cage is perhaps the most underappreciated component on a bike. Ours is designed to hold your water bottle no matter the terrain or application. The ENVE Water Bottle Cage is light, durable, and offers easy side and vertical entry/exit. Please drink and ride responsibly.

Key Features:

- Dual side entry
- Vertical entry
- Full carbon fiber construction
- Stainless Hardware

Weight: 19g
MSRP: $70
ENVE Part : 800-0000-103
