FAT BIKE FORK

A truly all season, all terrain fork for fat-bikes with the widest possible clearance in both 26 inch and 27.5 inch compatibility.

With over 10 years of carbon experience, we're the trusted source for many when it comes to forks. After creating the most innovative rigid mountain fork in the market, we set our sights on fat bike forks. Adding our trusted reliability and lightweight design to 5-inches of tire clearance, this is the upgrade for your all season rig.
