MY24 PAINT TO PANTONE COLOR GUIDE

Matching wheel or component decals to the color of an ENVE frame is a great way to add some customization to your bike. Here's a list of MY24 frame Pantone colors to help guide you as you start customizing your bike.

PLEASE NOTE, PAINT COLORS ARE NOT THE SAME AS PANTONE COLORS AND PANTONE COLORS WILL NOT MATCH PAINT COLORS EXACTLY. Rather, the Pantone colors listed below are suggested colors to get you started in the right direction.

CLOSEST PANTONE MATCHES*
