CYCLES PEUGEOT

new bicycles for 1977

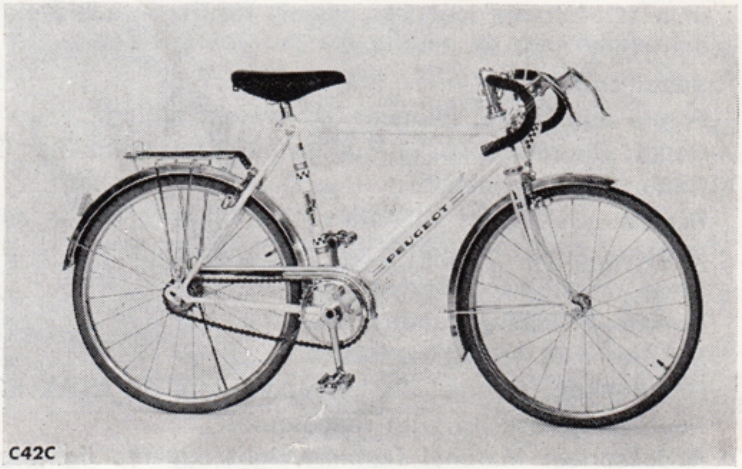

PNC

PEUGEOT JUNIOR

A bicycle that will appeal equally to both boys and girls. Sturdy 20" balloon tyres are fitted with a 13½" frame at the lowest position. Also incorporated is a stout joint for folding the bicycle for those users who are obliged to take their children's bicycles when visiting and on holiday, or for those who have restricted or limited storage space. Colours: Blue, Orange and Bamboo. Recommended Retail Price: £57·99 (including V.A.T.).

PETITE SPORTS

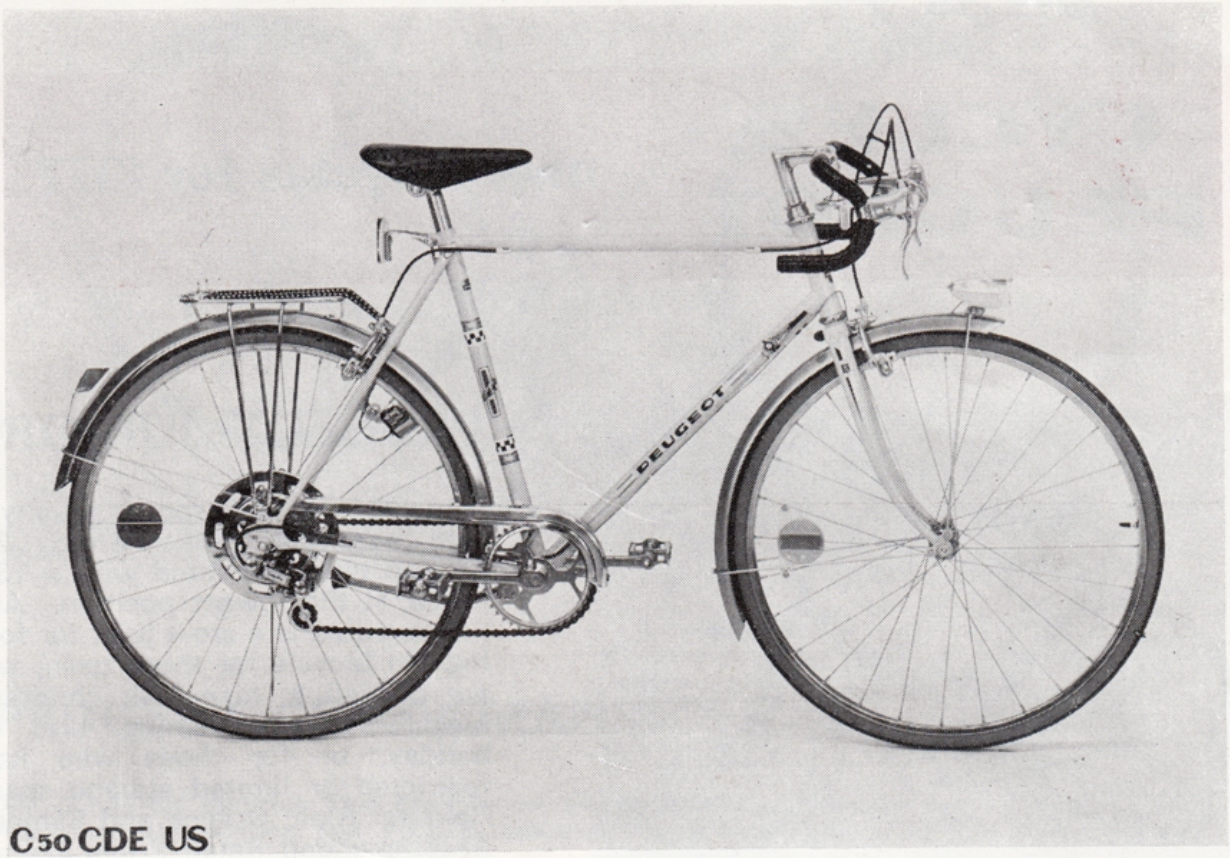

This scaled down sports bicycle has a 16" frame and 20" wheels and is designed for the young rider requiring a high quality sports machine. Specification includes a rear carrier, positively fixed chain guard, single speed gearing and polished stainless steel guards. Colours: metallic silver and red. Recommended Retail Price: £54·99 (including V.A.T.).

PEUGEOT QUALITY

C50 CDE US

JUNIOR TOURER

An all-weather fully equipped bicycle suitable for children aged 9-12 years. The combination of a 19½" frame and 24" wheels results in a bicycle which is robust, but at the same time extremely easy to handle for the young rider.

Specification

Frame and Forks: Peugeot lightweight tubing.

Gears: Simplex SX8 11T, alloy mechanism no fuss 3-speed derailleur.

Chainwheel: Steel 40T.

Brakes: Weinmann 730 alloy sidepull with junior 'safety dual levers'.

Wheels: Small flanged hubs on Rigida rims.

Tyres: Hutchinson Brown Wall.

Guards: Polished stainless steel.

Saddle: A60 racing saddle.

Handlebars: 'Course' Junior racing bars on ATAX PSB 96 alloy stem.

Pedals: Lyotard 36 with reflectors.

Accessories: Marchal featherweight dynamo lighting, rear carrier with elastic cord, ESGE prop stand, chainguard, spoke protector and wide angle safety reflectors.

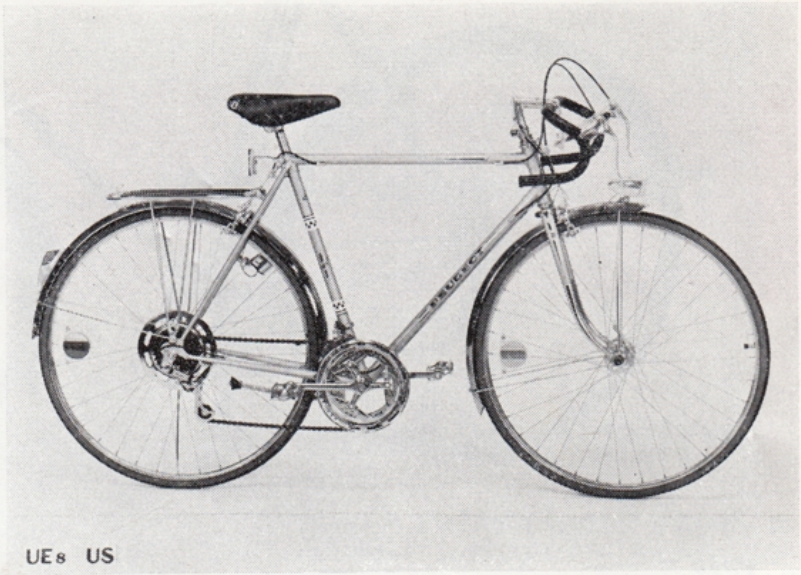

Colours: Orange, Violet.

Recommended Retail Price: £73·99 (including V.A.T.).
