Vive la différence!

Cycles Peugeot guarantee their road bicycles against manufacturing or material defects from the original date of sale as follows:

Frame and Forks for 10 years
Parts for 1 year

This Warranty covers normal consumer use, but does not cover failure resulting from misuse, alteration from original specification, accident damage, neglect, incorrect assembly/maintenance or fair wear and tear.

Under the terms of this Warranty, Cycles Peugeot will bear the cost of replacement parts, for the period stated, and any labour charges incurred up to one year after purchase, provided that an authorised Peugeot Dealer processes the claim.

This guarantee does not seek to diminish any consumer statutory rights, but is in addition.

It is offered to the original purchaser and as such is not transferable.

In the event of any problem, please consult a Peugeot Dealer.

Note:

No bicycle can be considered indestructible and therefore this Warranty only applies to normal riding conditions and fair wear and tear.

Except for Mountain Bikes, no bicycle is guaranteed for use 'off the road'. In the case of Mountain Bikes failure due to lack of regular maintenance, abuse or misuse cannot be guaranteed.

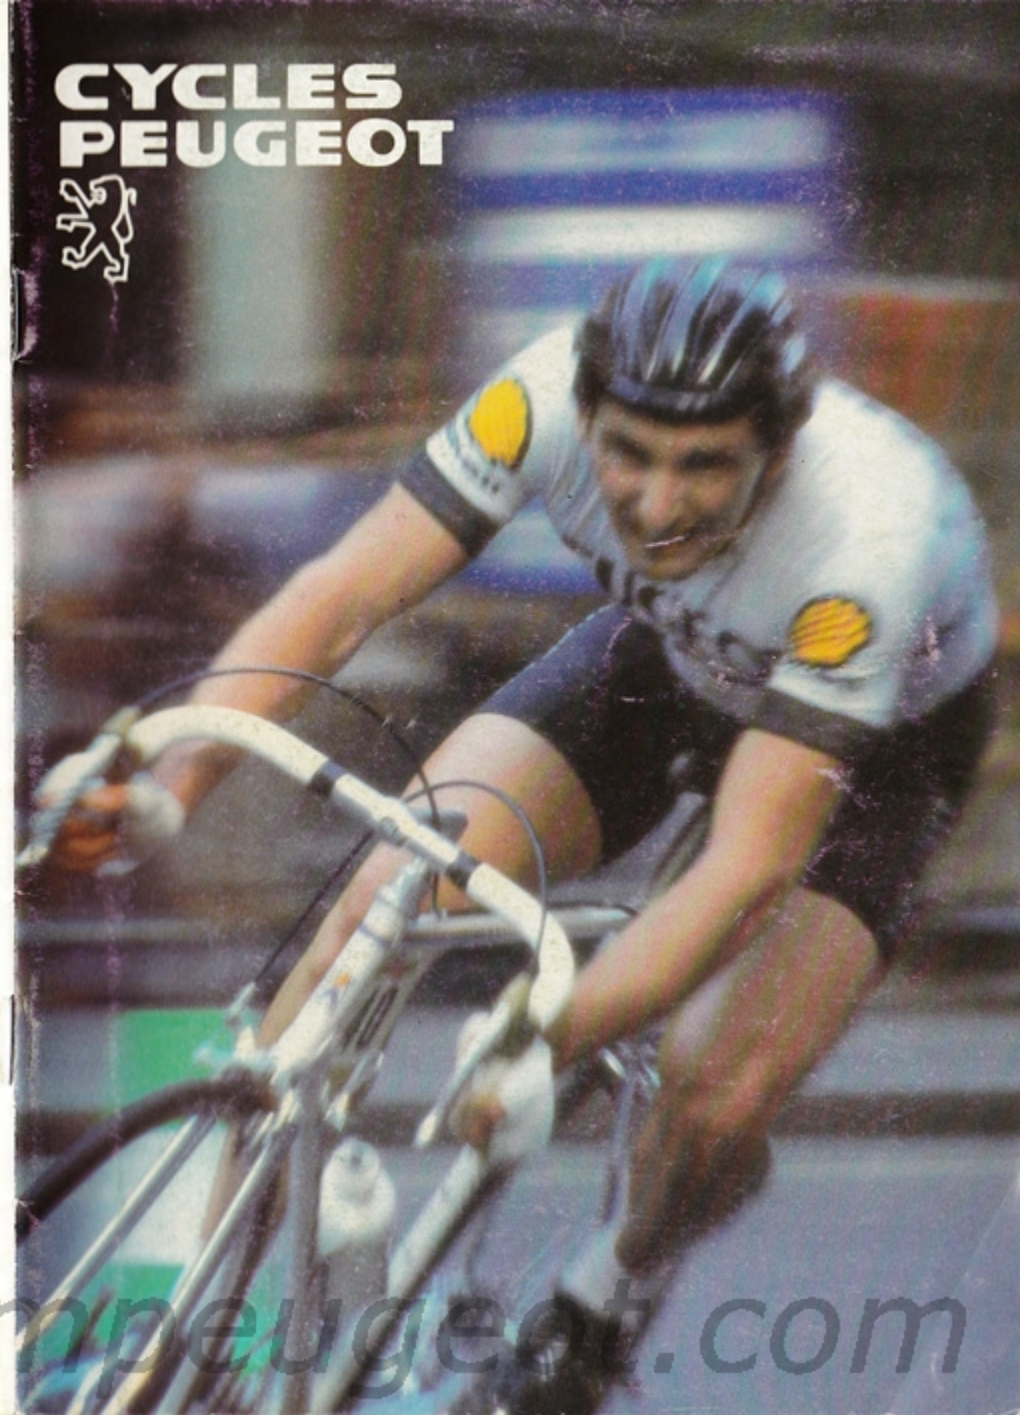

In all cases, it is recommended that regular inspection/maintenance is carried out.

The Peugeot policy of continually up-dating and improving their range means that the specifications and appearance of all bicycles in this catalogue may be subject to alteration at any time.

Vive la différence!

Designed by perfectionists for perfectionists, and styled as only the French know how, Peugeot cycles *are* different.

The oldest, and one of the biggest, cycle manufacturers in Europe, Cycles Peugeot have led the world in design and innovation for over 100 years.

Race Bred

Cycles Peugeot are perhaps best known for their thoroughbred racing machines. Machines that have taken on, and beaten, the world – winning countless major honours in the most demanding races, including, of course, the ultimate race of all, the Tour de France!

Ultimate Technology

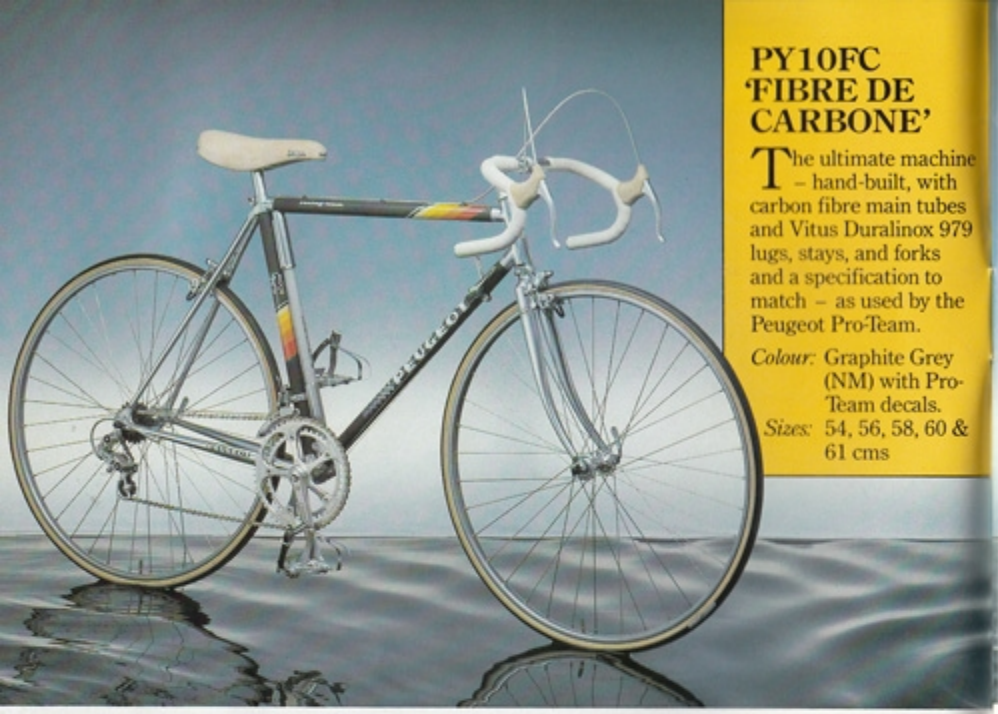

In striving to achieve the ultimate racing machine, and obsessed with reaching the perfect combination of lightness, strength and rigidity, Cycles Peugeot are constantly advancing the frontiers of cycle technology.

The 'Fibre de Carbone' is probably the world's most advanced racing cycle. 30% lighter and 8% more rigid than conventional materials, the three main tubes of carbon fibre are combined with Duralinox 979 lugs, rear stays, and forks to produce a breath-taking cycle with road racing specification, yet weighing a mere 18lbs!

Then there's the brand new Avance, featuring the first ever butted, lugless frame to achieve lightness without sacrificing strength.

These are just two of the cycles that make the Peugeot name synonymous with excellence.

PGN10US ROUTIER

A new model, using Reynolds 501 'Cromalloy M' tubing, heralds the return of the famous Peugeot Routier name. The specification will meet all demands – an excellent clubman's or general-purpose machine.

Colour: Burgundy (BU) with Pro-Team decals.
Sizes: 54, 56, 58, 60, 62 & 64 cms

PH11 AVANCE

A completely new model – the unique frame, with butted main tubes using Peugeot's lugless construction, gives a very light cycle at a very light price. Check out the specification carefully – it includes concealed cables, fast-back rear stays and Helicomatic rear hub.

Colour: Graphite Grey (NM)
Sizes: 54, 57,& 60 cms

PGN10 PARIS-NICE

Upgraded for 1984, the Paris-Nice now features Reynolds 501 tubing and an even better specification which will ensure it retains its place as best value for money in its category.

Colour: Jamaica Blue (BJ) with Pro-Team decals.
Sizes: 54, 56, 58, 60 & 62 cms

PH10LS COMPETITION

A fast, responsive sports cycle, featuring a new frame with fast-back rear stays, concealed cables, sloping fork crown, alloy QR wheels with BIB TS 20 tyres and a Helicomatic rear hub.

Colour: Pearl Silver (BK)
Sizes: 54, 57, 60 & 62 cms

PH10L CRITERIUM

The Criterium will live up to its name, the frame design and components will ensure those 'ride and feel' qualities, for which Peugeot are famous. The Super Champion Model 58 wheels make this a superb machine as your first light touring or everyday bicycle.

Colour: French Blue (VB)
Sizes: 54, 57, 60 & 62 cms

P10L PREMIERE

The stylish good looks are evident, that Peugeot 'ride and feel', the renowned quality – it all adds up to a first bike with no comparison. For the price you need look no further.

Colours: Graphite Grey (NM) – the '84 Pro-Team colour
Pearl Silver (BK)
Jamaica Blue (BJ)
Sizes: 50, 54, 57, 60 & 62 cms

P10S TALISMAN 12

The Talisman 12 deserves close inspection – add to a Peugeot lugless frame such features as 12-speeds, QR wheels, suede saddle, bottle and cage, alloy crank set – and you have a remarkably good bicycle with an excellent pedigree.

Colour: Tulip Red (RT)
Sizes: 54, 57, 60 & 62 cms

C50CX JUNIOR TEAM REPLICA

A replica of the Peugeot Professional with exactly the same finish and featuring 10-speed, alloy wheels and alloy cotterless chainset with detachable rings.

When Peugeot design cycles for ladies, they design haute couture with an unsurpassed elegance.

Cycles that are very chic, very French and very practical. Take the new 'Classique Shopper', for example. A marriage of classic good looks and up-to-the-minute styling, it's perfect for the girl about town.

All the cycles in this prestigious range are technically superb. All are easy to handle, with excellent equipment. And all are sheer pleasure to ride.

VH35S CLASSIQUE SHOPPER

For those who wish to own something stylish, chic, different and very French. The Peugeot Classique Shopper is designed for today's woman – so practical with its easy-to-use 2-speed gear, low step-through loop frame, comfortable riding position, rear carrier and extra large front wicker basket. The Classique Shopper is just that – a classic!

Colour: Red (RT) with Black mudguards. Peugeot's 'classique' decals.

Size: 50 cms

PH18L SAPPHIRE

An excellent bicycle for shopping or general use, fully equipped to include 5-speed gears, prop stand, dress guard and chainguard.

Colours: Sky Blue (SM) Peugeot Red (RI)

Sizes: 50, 53, & 57 cms

www.bikeboom.peugeot.com

PH15C SOLITAIRE

Excellent ladies 12-speed sports tourer with extensive alloy equipment, Esge guards, anatomic saddle and dual brake levers. The result is a bicycle that is a delight to ride and ideal for the more serious cyclist.

Colour: French Blue (VB)

Sizes: 50, 53, & 57 cms

P20 ORBIT

The classic Sturmey Archer 3-speed U-frame folder. The sprung rear carrier, easy-to-use folding mechanism, the versatile frame design, all make this model the success it is.

Colours: Blue (VB) with contrasting Silver guards. Brown (BN) with contrasting Champagne guards.

P15C LADY PREMIERE

The Lady Premiere is the ideal tourer/commuter. As the name suggests, this model is the twin of the Premiere, which makes it a very good first bike for the rider who wants a little more from her bicycle in terms of both performance and fun. Mudguard clearance and eyes enable easy fitting of guards if required.

Colour: Pink Champagne (CK)

Sizes: 50, 53, & 57 cms

P30 FAMILY

For the occasional cyclist who requires versatility of use, the Family from Peugeot offers a superior specification to the normal 20" bicycle. Alloy brakes, levers and wheels, considerably lighten and improve performance and result in a very good-looking bicycle.

Colour: Burgundy (BU) with contrasting guards.

www.bikeboom.peugeot.com

Introducing the Peugeot Mountain range. Two terrific bikes that are new, excitingly different and all set to take you where no bike has gone before!

Super strong, super comfortable easy riders, both the Peugeot Urban Express and Canyon Express are designed to zip through commuter-land, cruise around the countryside and blaze trails off the beaten track.

You can ride them every day, everywhere – 5 days on the road, 2 days off. All with no fuss and plenty of fun. You can even add the special racks and mudguards to give you a touring bike par excellence!

MB2 CANYON EXPRESS

The original Mountain Bike. Heavy duty 26×1.75 rims and 26×2.125 tyres with centre ridge, 18-speed gears 14-32 with 28, 42 and 48 chain rings and extensive use of alloy and chrome-moly fittings make for toughness with lightness.

Colour: Graphite Grey (NM)
Sizes: 50, 54 & 57 cms

MB1 URBAN EXPRESS

The second generation Mountain Bike, designed for both inner-city commuting *and* off-the-road exploring. The 650×35 tyres have a high ridge for low friction on the road and high-grip side treads for off it. A strong, light frame with chrome-moly main tubes, narrow Aero rims, anatomic saddle, contoured grips, thumb shifters, 18-speed gears and cantilever brakes complete the perfect bike.
