A U T U M N C

Our fantastic summer may be over but not the fantastic demand for the thrills and enjoyment that the best in cycling can bring. And the best in cycling means Peugeot. Here then, for the autumn season, are eleven exciting new models from Cycles Peugeot.

Inspired by the achievements of Peugeot Professional riders, David Baker and Tim Gould, the most successful team in the growing history of British ATB racing, we've extended our fabulous range of value-for-money ATB's, introduced two dazzling

ON THE TRAIL

Today, a new style of bike is becoming the popular choice of adults and youngsters throughout the UK. The ATB has revolutionised cycling, not just for those who enjoy the thrilling sport of mountain biking, but for everybody who wants a bike that's easy to ride and adaptable to virtually any cycling need. Our new Trail series is what ATB riding in style is all about. Three superb machines of varying sizes, all in head-turning salmon and black.

▲TRAIL 24

Here is the ultimate in eye-catching style for the young enthusiast who wants to blaze a trail to the top.
