RACING

For over a hundred years Peugeot have been building great bikes for riders like Robert Millar, Phil Anderson, Stephen Roche, and Eddy Merckx.

Nothing beats a road bike for speed, style and excitement on tarmac. For racing, for training, for triathlons, for fitness and just for fun nothing beats the exhilaration of riding a road bike; and nothing beats a Peugeot.

GUARANTEE

Peugeot cycles are guaranteed against defects in materials and workmanship from the original date of purchase as follows: Frame and standard forks: 10 years.
Suspension fork: 1 year. Parts: 1 year
The warranty covers normal use but not failure resulting from misuse, alteration from original specification, accidental damage, neglect, incorrect assembly, incorrect or lack of maintenance, fair wear and tear, exposure.
This warranty is offered to the original purchaser and is not transferable. Cycles not assembled and serviced by an authorised Peugeot dealer or which have been fitted with non-Peugeot approved parts are excluded from the guarantee.
Whilst every effort will be made to supply an identical part in the original colour, if applicable, the Company reserves the right to substitute an alternative.
This guarantee does not seek to diminish any consumer statutory rights.
The Peugeot policy of continually updating and improving its range means that the specifications and appearances of all bicycles in this catalogue are subject to alteration at any time. All bicycles featured in this catalogue are available through every authorised Peugeot cycle dealer nationwide.
