
RALEIGH

The Art of the Ride...

We create them, ride them, play with them, and believe in them, and that's why a bicycle means so much more to us.

They mean more than just saving some money on gas, or being an accessory to the latest trend, or a status symbol to grab attention. We look at bicycles as an extension of ourselves, and of the people who will be riding them.

It's with this in mind that we create bicycles as unique as the rider. It's how we can create one of the lightest, stiffest production carbon road bikes available that will push a rider to their outer limits. It's looking at a bike as more than an inanimate object, and believing it has character, that we created an entire line with the only material described as having a 'soul'. It's when you believe that nostalgia is not merely a fond memory, but rather something that is created every day on every ride.

It's this art of passion, innovation, and heritage that we put into every bike we make.

COMFORT

Circa and our new E.A.S.E. Geometry

We took the rider into consideration before all else when designing this totally new bike. In doing so, we created a bicycle that can maneuver and climb like a hybrid and is as comfortable as a cruiser. The key to this is the Easy Angle Seating Enhancement geometry and the Raleigh exclusive custom made handlebar. By relaxing the seat angle and changing the rider's hand position, we made a bike that is more comfortable to ride and easily outperforms any flat foot bike available.

Ease yourself onto a new Circa, and feel the relief.

RALEIGH bicycles are distributed by Raleigh America, Inc.

Raleigh America, Inc., Bicycle Limited Warranty

It is the owner's responsibility to thoroughly read and understand the owner's manual and regularly examine the product to determine the need for professional, authorized service or replacement. Please consult an authorized Raleigh America, Inc., bicycle dealership with any questions on use and maintenance. Regardless of the length of the warranty, Raleigh America, Inc., does not infer that thebicycle will last forever or cannot be broken. All Raleigh framesets and bicycles have a finite, limited useful product life cycle. The length of this useful life cycle will vary by environment, riding conditions, frame material and construction, riding style, maintenance, and the amount as well as type of use the bicycle or frame is subjected to. A worn out bicycle does not indicate it is warrantable, rather that the bicycle has outlived (exceeded) its useful product cycle.

Raleigh America, Inc., warrants this new Raleigh America, Inc., bicycle frame against defects in material and workmanship, subject to the following limitations, terms, and conditions:

Item	Warranty Term Length
Steel bicycle frames with wheel size less than 20˝	Lifetime, for as long as the original retail purchaser owns the bicycle*
Steel bicycle frames with 20˝, 24˝, 26˝, or 700c wheels	Lifetime, for as long as the original retail purchaser owns the bicycle*
Alloy bicycle frames with 20˝, 24˝, 26˝, or 700c wheels	Lifetime, for as long as the original retail purchaser owns the bicycle*
Full Carbon Fiber or Carbon fiber/alloy bicycle frames with 20˝, 24˝, 26˝, or 700c wheels	Lifetime, for as long as the original retail purchaser owns the bicycle*
Full Suspension bicycle frames	Five years from the date of original retail purchase to the original purchaser*
Forks, Non-branded	Five years from the date of original retail purchase
Forks, Branded	Covered under the fork manufacturer's warranty. Consult dealer for details.
Components, Non-branded	One year from the date of original retail purchase
Components, Branded	Covered under the component manufacturer's warranty. Consult dealer for details.
Finish and decals	One year from the date of original retail purchase
Suspension parts including but not limited to bushings, pivot bearings, link plates, bolts, fasteners, chain stays, seat stays, and shock units	One year from the date of original retail purchase under the condition that the bicycle is regularly maintained as well as operated under normal riding conditions
Labor, frame replacement	One year from the date of original retail purchase
Labor, parts replacement	Thirty days from the date of original retail purchase

1. This warranty only applies to the original retail purchaser and is not transferable.
2. Specific model exceptions to this warranty are noted with the bicycle documentation.
3. Raleigh America, Inc.'s sole obligation during the acceptable duration of this warranty is, AT RALEIGH AMERICA, INC.'S OPTION, to repair or replace the product with a current item that is equivalent in construction, design, or value.
4. Raleigh America, Inc.'s liability under this limited warranty shall never exceed the amount of the original purchase.

To obtain service under this warranty, you must:

1. Return your fully assembled Raleigh America, Inc., bicycle to an authorized Raleigh America, Inc., bicycle dealer within the United States of America. A bicycle that has had the components removed cannot be evaluated or warranted.
*2. Provide proof of purchase, including but not limited to the retail bill of sale, your credit or debit card receipt, or other satisfactory proof of the date of purchase.
3. The proof of purchase must indicate the bicycle was sold fully assembled and adjusted by an authorized Raleigh America, Inc., dealer within the United States of America. Sales where the bicycle was delivered in a carton to the end user (e.g., mail order or Internet sales) void the warranty.

This warranty does not apply to damage or failure due to:

1. Accidents, alteration, abuse, neglect.
2. Materials fatigue, normal wear and tear.
3. Improper assembly, maintenance, or installation of parts or accessories not originally intended to be compatible with the bicycle as sold, including but not limited to power assist accessories, forks, brakes, or tires different from original specification.

This warranty also excludes:

1. Commercial use, racing or competition, stunting, jumping, trick riding, ramp riding, aggressive riding, riding with excessive loads, lack of technical skill, competence, or experience of the user.
2. Bicycle frames, which have been repaired (e.g. welded or bonded), repainted, or had the original decals removed.
3. Frames, forks, wheels, axles, handlebars, and stems, which are bent from just riding along, can be a sign of misuse or abuse and are not covered under this warranty.
4. Personal transportation costs or product freight costs to or from an authorized Raleigh America, Inc., bicycle dealer.
5. Any additional costs associated with the incompatibility of existing parts and the replacement frame or fork.

Warranty replacement frames must be fully assembled by an authorized dealer to maintain the warranty coverage.
The warranty for the replacement frame shall be the warranty offered for the equivalent bicycle's frame of that model year. If not assembled by the dealer, replacement frames are considered aftermarket frames. Aftermarket frames are only warranted for one year from the date of purchase for the original purchaser. This one-year warranty excludes any issues that can be traced to assembly or component incompatibility.

This warranty is expressly in lieu of all other warranties, and any implied warranties of merchantability or fitness for a particular purpose created hereby, are limited to the same duration as the express warranty herein. Raleigh America, Inc. shall not be liable for any incidental or consequential damages. Some states do not allow the exclusion or limitations of implied warranties, incidental or consequential, so the above limitations and exclusions may not apply to you. Retailers and wholesale outlets for Raleigh America, Inc., products are not authorized to modify this warranty in any way. This warranty gives the original owner specific legal rights. Other additional rights may vary from state to state.

All Raleigh bicycles meet or exceed CPSC standards. Complete equipment is included with each Raleigh bicycle but not necessarily shown in photographs, e.g. reflectors. All Raleigh bicycles are covered under warranty. See your authorized Raleigh dealer for complete details. Raleigh specifications are subject to change without prior notice.Raleigh is a registered trademark of the Raleigh Cycle Limited.

WARNING: All riders depicted in this catalog are professionals. Do not attempt to duplicate any actions that are beyond your abilities. ALWAYS WEAR A HELMET!

Raleigh America is proud to be a member of Bikes Belong, a national coalition of bicycle suppliers and retailers working together to put more people on bicycles more often. Through national leadership, grassroots support and promotion, we work to make bicycling safe, convenient, and fun.

We're working together to guarantee that future generations continue to enjoy the many benefits of cycling.

We at Raleigh America would like to thank all of our Loyal Dealers, partners, and Territory Managers for being on the front lines day in and day out spreading the good word. To our valued CSR's for all their behind the scenes work and the rest of the staff here at Raleigh.

We'd also like to give a 'fist bump' to those that helped us with this year's photo shoot:

Rapha and Twin Six for making us look so good out there.

Avenir for decorating our bicycles.

All City Coffee for providing the best Americanos in Seattle and a sweet backdrop for many of our pictures.

To the Tour de Fat and the Dead Baby Down Hill Race for working with our schedule and coinciding their events with our photo shoot.

To MotoFish for capturing the essence of our bikes in motion and Earl Harper studios for making our bikes look fast standing still.

Thanks.
