We are happy to present you with our catalogue of GRAND bicycles.

The year 2015 brings changes which cannot be ignored and careful branding that is friendly for cyclists in everyday situations. The new collection was designed for a growing popularity of city bikes which have gained new, lifestyle colours. All these are based on brand-new trends in fashion.

What distinguishes GRAND brand as opposed to other brands, is that GRAND has the advantage of having high standards with reasonable prices, which remain unchanged.

We are pleased to invite you to get familiar with our offer of GRAND bicycles for 2015.
