FREESTYLER- Another first for Haro, a frame, fork combo that's designed for the freestyle advocate. Features include heavy duty head tube, sturdy drop outs and unique head/down tube gussett. Forks also feature Haro original drop out design both made in 4130 cro-moly steel.

SERIES ONE- The number plate used by more top professionals than any other. Fits up to four numbers across and features velcro fasteners for easy installation. Available in red, white, blue, black and yellow.

TYPE 2- Imitated but never duplicated. Clean, bold graphics available in six color combinations with velcro fasteners.

MINI SERIES- A smaller version of the Series One for 3", rise bars. Available in five colors with velcro fasteners.

COLORPLATES- The Haro plate you can customize. Molded in five colors with a contrasting hot stamped logo on the front. Simple and affordable.

BMX GLOVES- LEATHER GLOVES: Get maximum protection and comfort with the Haro leather glove featuring padded palms, elastic cuff and ventilated spandex back with knuckle padding.
COTTON GLOVES: New and inexpensive. Features same bold graphics as the top of the line leather gloves. Lateral bars on palms are screened with latex for super grip.

VISORS- Now available in bubble and peak styles. Bold graphics for high visibility in red, blue, black, white and yellow.

SUPERLITES- Superlites feature clean bold graphics and velcro closures. Assorted team color combinations available.

GEAR BAGS- All purpose gear bag and flight bag for packing your equipment and your bike in style.

BRAKE HANDLE- The original two-finger brake handle designed to provide improved braking response. Super tough nylon construction available in four color combinations.

BMX WEAR- T-shirts, racing jerseys and more on the way.

NUMBERS- Designed for high visibility and easy application. Available in five color combinations.

DECALS- Available in various colors, styles and sizes.
