ABOUT INNOVA RUBBER

Innova Rubber Co., Ltd. was founded in Taiwan since 1995. Focusing on innovation, customer satisfaction and un-compromised quality, we have been putting our greatest efforts in developing new process; new machines; new technologies and new concepts to achieve company's goal.

Innova established its production facilities in China. Our Guangzhou facility was established in 1995, Shanghai factory in 1998, Zhejiang Pinghu factory in 2001 and Anhui Bengbu factory in 2008. Each factory has been awarded the ISO-9001 quality assurance certificate to ensure only the very best tires are delivered to the end consumer and win the trust from our customers.

Innova has been offering various tires in different fields with its inventions ranging from bicycles, baby strollers, scooters, motorcycles, wheelchairs, industrial and agricultural utilities, lawn & garden equipment, golf carts, trailers, fork lifts, and light trucks.

We believe our insistence of innovation and quality control will ultimately make Innova along with our customers become trusted household names synonymous with quality and value.
