ARROWHEAD

Reliability. On the streets or through the woods, you can depend on the Arrowhead for solid transportation. Feel safe and assured on the heavy duty Wishbone frame. We equipped the Arrowhead with Shimano Altus C10 shifters and derailleurs, alloy cantilever brakes and Cartridge Bottom Bracket.

Ride on, my friend.

KILIMANJARO

From on High. This colossal giant aspires to Olympian heights. Climbing. . . Reaching. Scaling uncharted territory.

The Wishbone frame, with Tange chromoly main triangle, is crafted for infinite exploration. Smooth shifting with Shimano's New Altus A10 derailleurs and Rapid-Fire Plus shifters guarantee you'll surpass the Summit. On the way down, get aggro with GT New Egro Handlebars, as the 2.1 knobby tires grip the earth. And it all comes to an end with the powerful Shimano cantilever brakes.

The ultimate view is from the top.

PACHANGA

Alive! An exhilarating festival on a cool mediterranean night. Alluring latin rhythms pour out from a restless city.

Spirited. . .Vigorous. . .Pachanga. The geometry is geared toward the serious off-road enthusiast, featuring a Tange Double-Butted Chromoly Frame, GT Chromoly Fork and 1-1/8" oversize Headset. Keep the tempo hot with Deore LX Rapid-Fire Plus Shifters. Also included in the mix: Araya Alloy Rims, Ritchey Z-Max Tires and GT Competition Saddle.

Captivating. . . Lively. . .Uninhibited. Let yourself go.

PALOMAR

Behold. Take in the view from Palomar. Survey the vast canyon below. A grey fox wanders aimlessly, as you make out a small ghost town in the distance.

Drifting down from observatory point, you feel confident about your equipment. Your Palomar is outfitted with Shimano's New Exage ES Groupo with Rapid-Fire Plus Shifters, and Multi-condition LT Brakes. As you ease your feet into the GT Toe Clips, a refreshing breeze rushes up the trail.

Rediscover the outdoors and

SERENGETI

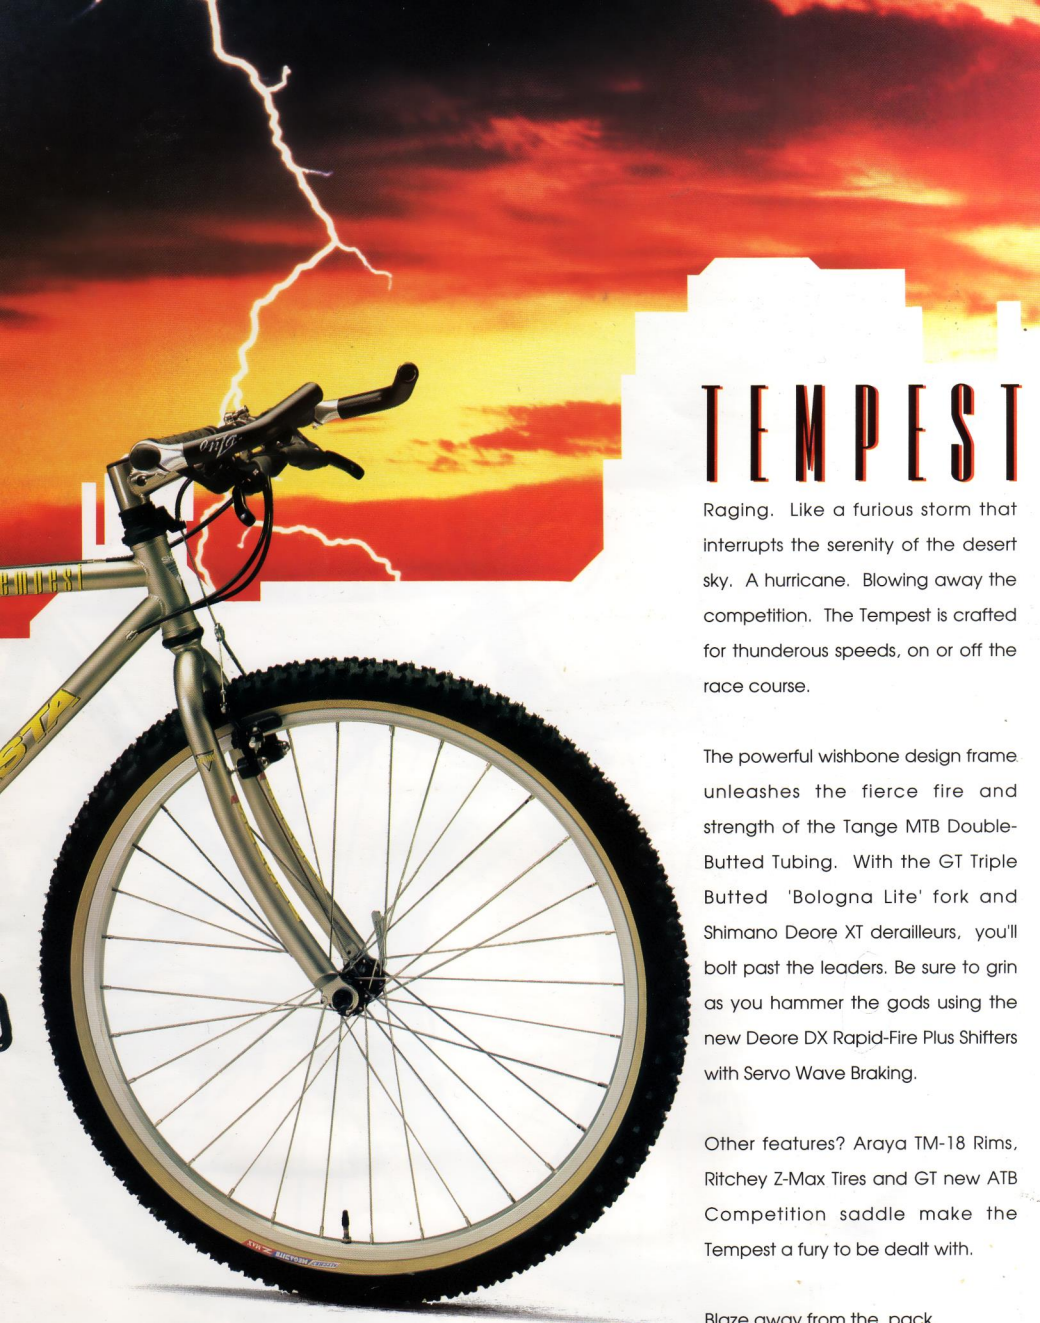

Adventure. Miles of unexplored territory. The morning sun fires through the clouds and scorches the wrinkled valley below. Luckily, you remembered to bring extra water. And a bike designed to beat the challenging terrain.

For this transcendental safari, we dialed in a mix of Shimano's Altus Groupos with Rapidfire Plus Style Shifters and A20 Derailleurs. Also included: Stainless Steel Spokes, Araya Alloy Rims, and Skinwall Tires.

Blaze your own trail.

TEMPEST

Raging. Like a furious storm that interrupts the serenity of the desert sky. A hurricane. Blowing away the competition. The Tempest is crafted for thunderous speeds, on or off the race course.

The powerful wishbone design frame unleashes the fierce fire and strength of the Tange MTB Double-Butted Tubing. With the GT Triple Butted 'Bologna Lite' fork and Shimano Deore XT derailleurs, you'll bolt past the leaders. Be sure to grin as you hammer the gods using the new Deore DX Rapid-Fire Plus Shifters with Servo Wave Braking.

Other features? Araya TM-18 Rims, Ritchey Z-Max Tires and GT new ATB Competition saddle make the Tempest a fury to be dealt with.

Blaze away from the pack.

Soaring . . . Majestic. Snow-capped Mt. Shasta towers sky-ward for 14,000 ft, gazing out at the northern terrain of California .

Extreme terrain

. . . ethereal clouds . . .

A place to set your mind & body free. To escape the daily grind, and leave behind your worries for awhile .

Nothing to stress about. Just mount a Shasta and trip down the wicked switchbacks of the French Alps, the desolate plains of Africa, the dense forests of South America. . . Or out your own back door . . .

Wherever your journey takes you.. . . . . .
