Distretto Produttivo della Bicicletta

Profilo Aziendale Company Profile

Dopo una esperienza decennale come fornitore di componenti di selle per i maggiori marchi italiani, i Flli Baggio decidono di confrontarsi direttamente con il mercato, introducendo un prodotto finito con il marchio SELLE MONTE GRAPPA.

Presentandosi in un mercato ormai stabilizzato dove la richiesta latitava a causa della sovrapproduzione, la Selle Monte Grappa è riuscita ad imporsi sul mercato grazie alla grande flessibilità che può avere una azienda a conduzione famigliare pronta a rispondere alle esigenze che il settore richiede, proponendo modelli di sella dal design elegante, ma soprattutto prodotti con una qualità ed un comfort inimitabili.

La personalizzazione, la ripresa di alcune lavorazioni come il cuoio, la proposta sul mercato di alcuni modelli di sella vintage o retrò, hanno fatto sì che Selle Monte Grappa stia collaborando con i più grandi produttori e marchi di biciclette diventando un marchio di tendenza. Grazie a queste caratteristiche la Selle Monte Grappa negli anni ha raggiunto un grado di professionalità e qualità tali da farla annoverare tra i più grandi produttori europei del settore grazie a una dinamica struttura famigliare tipica del Nord-Est Italia. Sono così assicurati ricerca, innovazione, qualità, confort e servizio eccellente.

Le Selle Monte Grappa sono totalmente prodotte ed assemblate in Italia.

After a decade of experience as component supplier of saddles for major Italian brands, the brothers Baggio decided to deal directly with the market, introducing a finished product under the brand SELLE MONTE GRAPPA.

Presented in a market where the demand is now stabilized and the run due to the overproduction, Selle Monte Grappa was able to penetrate the market thanks to the great flexibility that can have a family business ready to meet the needs that the sector needs at this time, proposing models saddle with stylish design, but mainly by quality and incomparable comfort.

Customization, the resumption of some workers "such as leather", the proposal on the market of some models of vintage or retro saddle meant that Selle Monte Grappa is collaborating with major manufacturers and brands in the sector becoming a trendy brand.

Thanks to these characteristics briefly above in recent years Selle Monte Grappa achieved a degree of professionalism and quality that it counts among the biggest European producers of the sector and thanks to a dynamic family structure type Northeast ensures innovation and quality service for the future.

The Selle Monte Grappa are totally manufactured and assembled in Italy.
