SHIMANO *ALIVIO*

New for 1994, the Alivio group is available in two configurations, the standard group or high-line variation which features high-tech gray chainwheels and rubber cup sealing on the hubs. A great cost-performance value, Alivio delivers the full range of new Shimano functions for 1994 including Optical Gear Display and Parallax hubs. Alivio brings great value and performance to the economically priced entry-level mountain bike.
