

why do you ride.

BICYCLES AND ACCESSORIES

1996

SPECIALIZED®

HARDROCK®
- Gripshift MRX-170 shifters
- Shimano Altus 21-speed drivetrain
- Weinmann alloy rims
- Soft Comfort saddle
- 24/34/42t crankset with 11-28t Shimano cassette

Colors: Candy Red

HARDROCK® GX
- Chromoly frame
- Specialized StrongArm crankset
- Specialized lightweight alloy handlebar
- Shimano Acera-X/Alivio drivetrain
- Specialized Hardrock'R tires

Colors: Bright Blue Satin, Team Red

HARDROCK® GX SPORT
- Chromoly frame and fork
- Shimano Alivio drivetrain
- Specialized StrongArm crankset
- Shimano cartridge BB
- Araya VP-20 rims with 14 g stainless spokes

Colors: Black

HARDROCK® GX FS
- Chromoly frame
- Elastomer suspension fork with alloy preload adjustment
- Shimano Acera-X/Alivio drivetrain
- Weinmann alloy rims with stainless spokes
- Specialized performance comfort saddle

Color: Very Dark Blue

HARDROCK® AX
- Specialized heat-treated 7005 alloy frame with butterfly gusset and spear gusset
- Chromoly fork
- Shimano Alivio drivetrain
- Specialized comfort performance saddle with embroidery
- Araya GP-710 rims with stainless spokes

Colors: Yellow, Team Red

HARDROCK 20
- Junior super-fit frame geometry, in either boy's or girl's frame designs
- Shimano Tourney drivetrain
- Dia-Compe Power Cam brake levers
- Junior comfort saddle
- Six-speed gearing

Color: Black (Boys), Pink (Girls)

CROSSROADS A1 ELITE
- Specialized A1 alloy frame and Specialized DirectDrive chromoly fork
- Gripshift SRT-400 shifters with Shimano Alivio drivetrain with Alivio crankset
- Shimano silent clutch rear hub
- Dual Density performance comfort saddle
- Araya TX-350 alloy double wall rims with stainless spokes

Color: Champagne Satin

CROSSROADS A1 PRO
- Specialized A1 alloy frame with Specialized DirectDrive chromoly fork
- Shimano Deore XT/LX drivetrain with Deore LX Rapidfire shifting
- Shimano silent clutch eight-speed rear hub
- Wide ratio gearing with 26/36/46t chainrings and eight-speed 11-30t rear cogs
- Araya TX-350 alloy 32-hole rims with stainless spokes

Color: Dark Blue Satin

ROCKHOPPER®
- DirectDrive "Light" double-butted full chromoly frame
- DirectDrive full chromoly fork with forged dropouts
- New Grip Shift SRT-400 shifters with indicator
- Dia-Compe VC-727 linear pull brakes with Dia-Compe DP-7 levers
- Shimano STX/Alivio 21-speed IG gearing

Colors: Team Red

ROCKHOPPER® A1
Specialized A1 heat-treated alloy frame with replaceable derailleur hanger
- Full DirectDrive chromoly fork with forged dropouts-suspension corrected length
- New Grip Shift SRT 400 shifters with indicator
- Shimano STX/Alivio 21-speed IG gearing
- Dia-Compe VC-727 linear pull brakes with Dia-Compe DP-7 levers

Colors: Cinnamon

ROCKHOPPER® A1 FS
- Specialized A1 heat-treated alloy frame with replaceable dropout
- Rock Shox Indy C suspension fork
- Grip Shift SRT 400 shifters with indicator
- Dia-Compe VC-727 linear pull brakes with Dia-Compe DP-7 levers
- Shimano STX/Alivio drivetrain

Color: Satin Teal

ROCKHOPPER® COMP
- Full DirectDrive double-butted chromoly frame and Ritchey forged offset dropouts
- Shimano LX eight-speed Rapidfire shift levers
- Shimano LX V brakes with Shimano alloy levers
- Ritchey SCX box-section alloy front rim and OCR "off-center" rear rim
- Shimano STX/Deore LX 24-speed drivetrain

Color: Candy Red

ROCKHOPPER® COMP FS
- Full DirectDrive double-butted chromoly frame and Ritchey forged offset dropouts
- Rock Shox Indy XC suspension fork
- Shimano LX eight-speed Rapidfire shift levers with separate LX V Brakes
- Ritchey SCX box-section alloy front rim and OCR "off-center" rear rim
- Shimano STX/Deore LX 24-speed drivetrain

Color: Very Blue

ROCKHOPPER® A1 COMP FS
- Specialized A1 heat-treated alloy frame with replaceable derailleur hanger
- Rock Shox Indy XC suspension fork
- Gripshift SRT-600 24-speed shifters, Shimano LX V brakes
- Shimano STX/Deore LX 24-speed drivetrain
- Specialized Team Control/Team Master Kevlar-beaded tires

Color: Bright Blue

ROCKHOPPER 24
- Junior super-fit frame geometry, in either boy's or girl's frame designs
- Shimano Tourney drivetrain
- Junior comfort saddle
- 18-speed gearing
- SR alloy crankset

Color: Team Red (Boys), Lavender (Girls)

STUMPJUMPER®

- Specialized DirectDrive Deluxe chassis and fork with Ritchey investment-cast dropouts
- Shimano Deore XT/LX drivetrain with Specialized STOUT integrated axle front hub
- Ritchey Super-Logic direct pull linear brake with Avid forged brake levers
- Mavic 238 box-section rims laced with Ritchey Logic stainless steel spokes
- Specialized forged StrongArm cranks with Ritchey Logic clipless pedals

Color: Dark Teal Gloss

STUMPJUMPER® FS

- Specialized DirectDrive Deluxe chassis with Rock Shox Judy XC suspension fork.
- Shimano Deore XT/LX drivetrain with Specialized STOUT integrated axle front hub
- Ritchey Super-Logic direct pull linear brake with Avid forged brake levers
- Mavic 238 box-section rims laced with Ritchey Logic stainless steel spokes
- Specialized forged StrongArm cranks with Ritchey Logic clipless pedals

Color: Dew Green

STUMPJUMPER® M2

- M2 X butted Metal Matrix Ceramic Composite frame, forged dropouts and replaceable chromoly derailleur hanger
- Manitou Pro fork with coil and MCU springs and Posi-Link one piece lower assembly
- Shimano Deore XT rear/LX front derailleurs, LX SL shifters
- All new Specialized STOUT integrated axle front suspension hub
- Avid "Single Digit" linear pull brakes

Colors: 2 Blue, Red I

STUMPJUMPER® M2 COMP

- M2 X butted Metal Matrix Ceramic Composite frame, forged dropouts and replaceable chromoly derailleur hanger
- RockShox Judy XC suspension fork, super lightweight with alloy steerer and stanchions
- Shimano Deore XT SL shifters, and front and rear derailleurs
- Mavic 221 rims, and Ritchey spokes
- Ritchey Logic clipless pedals with all-new clip mechanism

Color: Black I

STUMPJUMPER® M2 PRO

- M2 X butted Metal Matrix Ceramic Composite frame, forged dropouts and replaceable chromoly derailleur hanger
- RockShox Judy XC suspension fork
- Shimano XT SL shifter/brake lever controls, XTR rear derailleur, and XT front derailleur
- XT V Brakes for excellent braking performance
- Mavic 220 rims with Ritchey WCS 1.8/1.5/1.8 mm spokes with gold alloy nipples

Color: Big Green

GLOBE 7

- Shimano Inter-7 seven-speed internal rear hub.
- Easy-to-use rear roller brake, and cantilever front brake.
- Globe design fenders, an integral rear rack for book-toting, and generator light system.
- Specialized Nimbus III tires.
- Men's, Olive/Green; Women's, Burgundy.

GROUND CONTROL AIM A1

- Large section A1 Premium Aluminum front triangle with Rock Shox Deluxe rear shock
- Rock Shox Indy C suspension fork
- Shimano STX/Alivio drivetrain with Grip Shift SRT 400 shifters
- Dia-Compe V brakes with all alloy VC-7 levers
- Mavic 238 double wall 32-hole rims

Color: White / Black

GROUND CONTROL AIM A1 COMP

- Large section A1 Premium Aluminum front triangle with Rock Shox Deluxe rear shock
- Rock Shox Indy XC suspension fork
- Shimano STX/Deore LX 24-speed drivetrain with Grip Shift SRT 600 shifters
- Ritchey clipless pedals
- Dia-Compe V brakes with all alloy VC-7 levers

Color: Red/Black

GROUND CONTROL AIM A1 PRO

- Large section A1 Premium Aluminum front triangle with Rock Shox Deluxe rear shock
- Rock Shox Indy SL suspension fork with superlight alloy stanchions and steerer
- Shimano Deore LX/XT 24-speed drivetrain with Deore LX Rapidfire shifting
- Shimano Deore V brakes with Deore alloy levers
- Mavic 220 alloy rims with stainless spokes and alloy nipples

Color: Yellow/Black

GROUND CONTROL FSR

- M.A.X. Backbone extruded FSR 4 bar link frame with Fox Vanilla rear shock
- RockShox Judy XC with Long Travel oil-damped, coil/MCU springs.
- Shimano LX SL shifter/brake levers control the XT derailleurs
- Lightweight Avid Single Digit brakes for incredible power and modulation
- Specialized STOUT front suspension hub with integrated Skraxle (Skewer/Axle)

Color: Red / Ano

GROUND CONTROL FSR COMP

- M.A.X. Backbone extruded FSR 4 bar link frame with Fox Piggyback adjustable rear shock
- RockShox Judy XC with Long Travel oil-damped, coil/MCU springs.
- Shimano XT SL shifter/brake levers, XT front/ XTR rear derailleurs and XT V Brakes
- A custom FOX piggyback rear shock with adjustable compression and rebound damping developed for the Ground Control FSR-from the spring rate to oil volume
- New M2 AheadStem, for increased strength and steering precision

Color: Cosmic / Ano

SIRRUS

- Specialized DirectDrive TIG-welded double-butted chromoly frame and fork
- Shimano RSX component group with front triple chainrings and STI shifters
- Specialized Transition tires
- Araya box-section rims and stainless steel spokes
- Ergonomic handlebar sized to frame

Color: Candy Red

S-WORKS M2
- M2 XX frameset with Pro-Fite Elite geometry and new M2 Aheadset stem
- The Manitou SX Ti and the Specialized STOUT front suspension hub with integrated Skraxle
- Shimano Deore XT SL shifter/brake levers XT front, XTR rear derailleurs, and XTR V brakes
- Team Edition Team Control / Team Master tire, Mavic 217 rims and Ritchey WCS spokes
- Ritchey Logic clipless pedals

Colors: Mango

S-WORKS M2 TEAM FRAMESET
- Legendary hot-rodded M2 XX Metal Matrix Composite frame construction
- New Team-approved Pro-Fit Elite geometry
- Components include an Aheadset, our new M2 AheadStem, and a Ritchey seatpost

Colors: Dew Green

S-WORKS C3FSR
- Resin Transfer Molding Carbon Fiber/Aluminium frame with 10cm of travel with the Fox Vanilla Coil over R1 piggyback Shock
- The Manitou SX Ti and the Specialized STOUT front suspension hub with integrated Skraxle
- Shimano Deore XT SL shifter/brake levers XT front, XTR rear derailleurs, and XT V brakes
- Team Edition Team Control / Team Master tire, Mavic 217 rims and Ritchey WCS spokes
- Ritchey Logic clipless pedals

Color: Carbon

FATBOY
- Specialized TIG-welded chromoly frame, fork and handlebar
- Tektro "V" brake
- Alloy AheadStem
- Specialized one-piece chromoly crank with alloy sprocket
- Araya VP-20 rims

Colors: Chrome

FATBOY A1
- Specialized A1 Premium Aluminum frame, chromoly fork and handlebar
- Tektro "V" brake
- Alloy AheadStem
- One-piece crank with alloy sprocket
- Araya VP-20 rims

Color: Polished with ED clear coat

FATBOY A1 PRO
- Specialized A1 Premium Aluminum frame, chromoly fork and handlebar
- Shimano Deore "V" brake
- Alloy AheadStem
- Specialized three-piece chromoly crank with alloy sprocket
- Super 7X alloy rims, SBC sealed bearing hubs, and stainless spokes

Color: Polished with ED clear coat

FATBOY A1 TEAM
- Specialized A1 Premium Aluminum frame with Answer Alumilite Pro fork
- Shimano Deore XT V brake
- Alloy AheadStem
- Specialized three-piece chromoly crank with alloy sprocket with Shimano clipless pedals
- Super 7X chromed alloy rims, SBC sealed bearing hubs, and stainless spokes

Color: Polished with ED clear coat

ALLEZ A1 SPORT
- Butted A1 Premium Aluminum frame
- Campagnolo Mirage components, including Ergo Power shifter/brake levers
- Mavic CXP 10, aero profile rims with Ritchey spokes
- Look clipless pedals
- Turbo Kevlar bead tires for minimum rotating weight and fast accelleration

Color: Too Blue

ALLEZ M2 COMP
- M2 XX frame with Carbon fork
- Full Shimano Ultegra components
- Ritchey's new Logic Road
- Mavic CXP-12 rims, Ritchey WCS spokes and alloy nipples
- Specialized Aheadset stem for increased rigidity and performance

Color: Very Dark Blue

SEQUOIA
- Specialized DirectDrive fork with chromoly steerer tube for additional safety
- Shimano Acera-X drivetrain
- Non-slip dual density pedals
- Ultra-plush spring saddle
- Union light system

Color: Green

SEQUOIA SPORT
- Specialized DirectDrive frame with chromoly main tubes and fork
- Shimano Alivio/Acera-X drivetrain with Specialized StrongArm crankset
- Water bottle cage and Specialized mini-pump included
- Araya PX-635 trekking rims laced with stainless steel spokes
- Union light system

Color: Blue

SEQUOIA A1 ULTRA
- Specialized A1 alloy heat-treated frame with replaceable derailleur hanger
- Specialized DirectDrive chromoly fork with low-rider braze-ons and forged eyelets
- Shimano STX RC/STX 24-speed drivetrain and Gripshift SRT 400-shifters
- Specialized StrongArm crankset with SuperShifter III chainrings
- Araya TX-350 box-section trekking rims laced with stainless steel spokes

Color: Black

SEQUOIA A1 ELITE
- Specialized A1 alloy heat-treated frame with replaceable derailleur hanger
- Specialized DirectDrive chromoly fork with low-rider braze-ons and forged eyelets
- Shimano Deore LX/XT 24-speed drivetrain with Deore LX Rapidfire Plus shifting system
- Union Halogen light system with Electra generator
- Specialized composite fenders with stainless break-away stay feature
- Premium lightweight alloy rear rack and Trelock wheel lock

Color: Silver Green
