About

SunRace products are specified by the world's leading bicycle manufacturers and are also used extensively in the aftermarket. Alongside the catalogue range, we have also always used our R&D expertise in co-operation with OEM, to create customised products. SunRace is now a major player in the bike industry.

Mission

We give the bicycle industry another choice. SunRace develops premium drivetrain components for every kind of bicycle. We care about the environment. We care about our customers, both direct and indirect, and try to distinguish ourselves in the market by being their best partner and offer outstanding personal service.

Vision

SunRace wants to make a contribution to society by actively promoting cycling as an environmental friendly way of commuting and as a leisure activity. Our plan to achieve this goal is by developing and selling bicycle components that offer great value for money and are suitable for any kind of ride.
