NUOVO RECORD

Realise your full potential on a Holdsworth 'Nuovo Record'. This tight, close clearance racing frame (complete with headset) has a full range of the latest 'braze-ons' and with very stiff chainstays and fork-blades is ideal for maximum performance in all kinds of road events.

SPECIAL

The Holdsworth 'Special' is ideal for the cyclist who combines racing with general club riding. The 'Special' will accept mud-guards with either 700C H.P.'s or 'sprints' and is sufficiently upright and responsive to ensure 'personal best' performance.

ELAN

Despite its expertly engineered construction and its superb specification which includes Reynolds 531 butted main tubes and Campagnolo dropouts, the 'Elan' is still a very reasonably priced frame. Suitable for all racing and club riding.

MISTRAL

The Holdsworth 'Mistral' frameset is designed for the dedicated tourist. The 72° angles coupled with a 41½" wheelbase ensure comfort on long tours together with safety and controllability when descending with full touring kit. Complete with headset and alloy micro-adjusting seatpin.
